In fact the life of this fat fuck, in his youth was quite good. Since he literally lived in a palace and even with servants, since his Father Leo Shriqui was an investor in properties and mansions. His father was Jewish (he is already dead). His mother, Victorie Sultan, I believe that she lives in Marbella, Spain, where the mansions left by her husband are. The life of this pig was easy from the beginning, he has never had to work in his fucking life, he stole part of his parents' money with the excuse of working in his father's business, and he lied to them to dedicate himself to porn with that money. That's why this bastard has no family and no one to love him. Agggggggghhhhhh.

5k a scene for an... you know what? I'm not gonna bother. It's obvious from the cash blown that Mike seriously must have had a thing for her back in the day.

Or still does.

If all that's true, I wonder on the veracity of all this simply because it's frequently more common that the "man of my dreams" of a former porn star stopped paying for anything and dropped her. Or he went broke and she dropped him.

Either way. There's a part of me that's sad to see her return to porn and do a scene with Jabba of all people

No, Finquel is part of an agenda that aims to completely devalue masculinity as well as pervert the minds of all men. They want weak men, without purpose, without goals, they want consumers of pornography who never stop consuming. when a real man has a purpose like family or art he will be focused on that and he won't have time to pay attention to shit like porn, because he will live his real life and be satisfied with it, not what a man's imagination fat millionaire has implanted through a screen for many years.

He hasn't even ever been on a fucking date dude. He said himself if he hadn't got into porn he probably never would have even gotten laid.

Porn is not real. Repeat after me. PORN. IS. NOT. REAL.

I'll give you some dating advice. Women like confidence. Not brash arsehole confidence, just that quiet happy confidence a guy in a good position gives out. The confidence of a man who has that unspoken belief in his own efficacy and strength. They also like kind men, and men that can make them laugh. They don't really care if you have pecs the size of a planet or not. They enjoy charm, and good conversational skills, and a sparkle in the eye.

As for sex, all that matters is that both parties enjoy themselves in a consensual manner. You don't need a 9 inch cock, you don't need to be able to bang for 50 minutes (the way to a woman's heart is with your tongue, in more ways than one...), and you don't need to be able to dominate every man in a 50 mile radius in a fight.

Just be yourself, ask them out in real life, fuck off dating apps entirely, and... I don't know, FUCKING GO FOR IT. Your mileage will vary and you have to find that formula that works for you, but trust me their is something that will work for you. Also, don't spend your entire time shooting for 10/10's if you're say a 6/10, know your level and work within it's confines until you level up, and remember that most women look about as good as we do once the make-up comes off and they're waking up blurry eyed at 6:30am.

EDIT: Also remember that being a bachelor has incredible perks and it's only recently that society

10:02

EDIT: Also remember that being a bachelor has incredible perks and it's only recently that society decided this was some kind of unacceptable option for a man to choose. You keep much more of your money, you will generally have a far more peaceful life, a life you fully control and master, you can also work as little or as hard as you see fit because men don't need much of anything to be happy once they get themselves centred.

Greg claims he grew up poor! He was more interested in all the money to made in porn. Mike grew up filthy rich! Mike didn't care if Greg's movies made any $money at all! Mike just wanted to be the Male-talent in all of Greg's scenes! Mike bought the expesive house on Baza Ave,while Greg slept outside or on some strangers couch each night...just trying to survive each day in L.A. Greg called 2-3 times a week for 6months to any porn production companies to finance his movies! Mike never did care much about Greg after he was living in L.A. Mike said the easy access to women for sex in L.A was the only thing he cared about. Get Lost Greg and don't film my Face,Bro!!!!

After he was done with dimwit Finq he went out and founded Blacked, Blackedraw, tushy, tushyraw, Vixen and deeper (he left the company before slayed) making one of the biggest porn empires making him multimillionaire Mike got jealous (FAK! How will Victoire look at me now that Greg passed me?) and started his own sites in retaliation. Look what happened...no updates for 1 year his empire is collapsing but loyal coomers still subscribe to every site keeping his companies from bankruptcy

Greg doesn't care about Mike anymore. Greg's grew up differently than Mike did. Mike grew up filthy rich from the day of his birth. Mike thought Greg would FAIL without him...Mike was WRONG!

Logan was to replace Mike for most scenes to bring in royalties to Mike's porn empire. Mike was to retire comfortably in L.A of the the scenes through all of Mike's pay wall websites. Mike did make a large sum of money on the property sale of his Baza home. He may had to pay capital gains tax on the sale. Where Logan and Mike ever friends? Did they have the same net worth? Did Mike want more Money? Does anybody know anything?

Genuine questions:

- Are terms of the scene (whether there will be rimming etc) discussed before or is it spontaneous? Sometimes Finquel's requests are rejected so I always assumed he doesn't tell the girls what's gonna happen today, but not outlining these in a contract seems strange.
- What happens during the scene preparation? Does Finquel give instructions for a specific list of things to do, or do you just get ready as you normally do.
- Is the payment entirely agreed before or does Finquel give extras based on "merit"?
- What is communication like before the day? Do you receive a call/email from Finquel himself?

Well I'm sure she is smart enough to think of something more productive than going "aghhhhhhh" for a living and sucking of a literal demon in the human form commonly referred to by the masses as Professor Adriano.

I'm just joking I like Professor Lily Lou. I don't blame her at all or hold her accountable for any of Mike's treasons. I never said People shouldn't make porn or that they should join the army. I'm not putting forward traditional conservative arguments as you have suggested I have. I'm simply saying that Mike the anal führer is an evil entity sent here to cum down throats, destroy rectums and make men kill themselves. The masses must be educated on this psychopath before he can destroy any more lives.

Is the whole Lily Lou VS Adriano Analyst (Top Scholar rep for this subreddit) just for comic relief? Or is it really serious about exposing Mike's Truth from his LIES? Who's even winning this battle? Lily Lou or this Subreddit?

Lily and Adriano Analyst don't really have an answer for Mike's Porn Empire. What do they want the Porn Women to do to save Mike from his downfall? What do they want the men who jerk off to Mikes content do to make things right? Mike pays for sex in L.A and has the Girls tested for deadly STD's so he can keep doing it(Mike's Secret to easy sex),but we already knew that from the beginning.

Who would win:

Battle hardened warrior-scholars armed to the teeth with anti-adriano dusters and anti-gape protection devices, who have been fighting a desperate struggle against MOSSAD and the JIA for years now, often outgunned and always outnumbered.

Or:

A young woman.

You know the truth scholar. We all know who is winning.

I began revolution with 82 men. If I had to do it again, I do it with 10 or 15 and absolute faith. It does not matter how small you are if you have faith and plan of action

Now, this is an interesting question for me, as a man pushing 40 who has had several sub-pelvic surgeries...are you allowed to take the magic blue pill on holiday with you? Is it dependent on country, I mean...how does this work? Do I have to shove them up my gape wrapped in a condom like that weed I took to Italy that one time allegedly?

I had two congenital defects in my lower bowels, somehow reached 32 without it hurting me (usually caught when you are a baby), and then one day one of them decided to burst and the other wrapped itself around a bit of my lower intestine (some claim that the KG of peanuts I ate may have had something to do with it, I disagree adamantly!). So yeah, I had to have two emergency surgeries, followed by a patch-up surgery, and surgery below/within the pelvic bone area is generally catastrophic for erectile function lmao (blood, nerves, it makes sense I guess).

Now, in the first surgery she said 'you may end up with

So yeah, I had to have two emergency surgeries, followed by a patch-up surgery, and surgery below/within the pelvic bone area is generally catastrophic for erectile function lmao (blood, nerves, it makes sense I guess).

Now, in the first surgery she said 'you may end up with a colostomy bag', to which I replied 'just let me die on the table', and she laughed...but funnily enough no one ever told me about the dick shit until I started having problems a few months after recovery with a new woman I'd met. Never happened in my life before, weirded me out, did some research, spoke with the doctor, and he said 'yeah you need dick pills now'.

It's a difficult conversation to have with women because even though you explain to them it's a clear and unavoidable result of life saving surgery I needed, they still do the 'AM I NOT ATTRACTIVE ENOUGH?!!' routine, so you either meet a woman who isn't a complete fuck head, or you just hide it. I mean, why are they complaining, they're about to get 30-45 minutes of foreplay FFS. Women man, I swear, who needs 'em.

For the most part it's okay, for my own purposes I've worked out how to get a 30% hard dick to give me my orgasm, and for the purposes of actual fucking viagra is great, works fine, only issue is that is causes retarded ejaculation and reduces sensation so sometimes you can be banging away for a bit too long... cue 'AM I NOT ATTRACTIVE ENOUGH?!?!' all over again. NO BITCH, MY DEEK GOT WRECKED IN SURGERY SO I DIDN'T FUCKING DIE GODDAMNIT!

And that's all she wrote folks. I'm just glad sildenafil exists, and that I live in a country that allows me to buy it over the counter or order from reputable pharmacies online without question (beyond the usual medical ones) :). You can also get it on prescription via the NHS, but they will only furnish you with a mighty four pills a month, which I suppose does say something about the average British sex life.

Lots of beautiful women in the UK mate, this whole 'people from this country are ugly, people from this country are beautiful' thing is just complete bollocks

But yes generally not a funny story! But we must remember that your masculinity is not defined by your musculature, or your height, or your dick size, or whether it's reliable or not. Masculinity is defined by courage, by strong moral principles, and by sticking to your values in the face of challenge and adversity. I think too many men nowadays are forgetting that.

3 Reply Share

[deleted] 8mo ago

i agree, jokes aside, my country are stereotypically know for having beautiful people but we have a lot of ugly too.

Who's more masculure and who's not doesn't really matter does it? Finq is fucking with alot of insecure men's minds. It's easy to be brainwasched by his gapes and two drops.

Yes there are girls that like anal sex. However, I doubt the type of anal portrayed in Stinky Finqy's scenes would actually be pleasurable for a woman. Anal is about intimacy and you've still got to focus on the clit. He doesn't really do that

Mike's Adult Career took off in April of 2010 when he signed a deal with EA as a Director in there Catalog!

[Adrianology in Practice]

I originally thought it was 2008'2009. I'm not sure who his previous Distributor was? Erotic Planet? New Sensation video? Anybody know?

02:58 86%

tricia_devereaux

John Stagliano is excited to announce the signing of director Mike Adriano as the newest exclusive director at Evil Angel. The company founder stated, "Mike is a director of performer who was for his work. He uncelebrated the erotic value of POV through his lighting, framing and choice of women he creates ass ages of voluptuous perfection and when he perfectly frames one girl sucking his cock while another sucks his balls and a third licks his asshole we are seeing erotic art at the highest level. He is a true fetishist exploring ass fits and oral sex with intimate power."

Mike Adriano's interest in porn started at a young age and he quickly became an ardent fan of his now fellow label-mates John Stagliano and Rocco Siffredi. His perspective makes him endlessly aware of how important specific angles and crisp clean lighting are for the viewer to be able to fully enjoy watching sex scenes. All of the scenes Adriano has helped direct at Evil Angel showcase the beauty of the female body, and the Spanish native has been enjoying the open personalities of American girls.

All of the new scenes will be available on the new Sluttyass.com website.

Adriano's first DVD to be released through Evil Angel will be American Anal Sluts in May. Over 5 hours of scenes fill the 2-disc DVD with 8 girls in 8 scenes making for quite an ambitious debut project with his new company. The main movie stars Amy Brooke, Mckenzee Miles, Jennifer White, Kera King, Kelsey Woods, Astrid Iron, Summer Ballet, Beverly Hills, Samantha Sin, Jenna Haze, Kina Lynne and Tatiana Kush with Eden Adams and Faye Runaway rounding out a sizzling all new bonus scene. As an all-anal movie, focuses on Adriano's main interest - anything to do with [illegible] gaping, anal toys

Why did Mike go back in'forth between Evil Angel and Jules Jordan Video from year 2018-2019? The Royalties aren't that much different between the two Distributors. Jules Jordan Video is most interracial dredd penis size style now and Evil Angel focuses mostly on TS features now.

Brother, JJV is only partially what you describe and Mike John brought back The Ass Factory recently.

Evil Angel similarly doesn't focus on ts content and is one of the last studios pumping out showcases with Darkko and the odd Chris Streams production. Pat Myrie is still going (on Elegant Angel too), as is creepy Mark Wood. Scarlet Chase seems to produce unique scenes for it. Proxy Paige shoots movies too, whereas Maestro Claudio is doing his old buddy Adriano strategy: stopping production on BAM Visions, launching a new website (DP Diva) and rereleasing Perv City scenes on DP Diva like he did in the mid 10s with Adriano scenes. Jay Sin is a convicted young person enjoyer and Joey Silveira shoots what you describe. On the scene distribution, Brian Gozzling/Hoookup Hotshot and Rocco scenes are still added to the EA lineup. Mick Blue terribly shoots POV content. All that to say that ts content is not dominant.

The economics of the movie distribution deals are outside my expertise, I'd wager that only a dying breed of boomer-coomers are purchasing VHS and blurays through those aforementioned distribution deals. JJ being younger than Stagliano may not value physical medium as much and maybe started giving worse royalties, but that is only speculaaaaghtion.

An Evil Angel spokesman for the company DID SAY that their TS Porn accounts for %30 percent of their annual revenue now! Jules Jordan Video focus IS Interracial Dredd(20inch penis) style porn with white Girls with high production camera's and sets! It's definitely a copy of Greg Lansky's Vision of ultra expensive porn production in a world of FREE tube-site and OF platforms to get the viewer to buy their content instead of lower Quality freebies offered elsewhere! Mike Adriano's Porn doesn't have a market anymore in current porn industry because it lacks high quality production and Mike's lack of social skills to make any OF style platform work for him. Mike John's porn is just spare time for funding his Hotel Business in South America (he owns 1 or 2 hotel's with his wife as I recall) he is basically retired now. Nacho Vidal was looking at Prison time with the TOAD VENOM

Nacho Vidal was looking at Prison time with the TOAD VENOM MURDER CHARGE as the case was dropped. John Stagliano did say Mike Adriano's porn lacks any real effort from Mike himself! Calling Mike's porn the fast-food of the porn industry. Mike's now just using OF to distribute his scenes before Evil Angel does so He can collect double the royalties. The pay wall of Mike's websites reflects that. Even his most loyal fans know they are getting ripped off. Evil Angel and Jules Jordan Video is just bunch of rumble left over when the free tube sites and OF platform BOMB dropped and exploded in the porn Valley no matter what style of directors they have.

Yeah it seems studio porn is in a bad position.

Thanks for bringing up sales figure. I was going by what is produced/distributed as movie releases. Still, 30% of sold material and a similar percentage of scenes produced doesn't mean that EA mostly focuses on TS content.

I don't have quantitive data but it feels like half JJV scenes are IR now. It's pretty much JJ who gave Dredd is platform after his first initial failed run in the early 10s. I'm pretty sure JJV always had a strong IR ratio anyways. However, it probably wasn't as high as half the productions like today's scarce scenes.

Stagliano is probably right but I find this critism short-sighted. Most gonzo studios follow a formula. Sure it extends beyond the Amazon clothing & decor of low-effort Mike, but I would argue that appart from Darkko, few gonzo directors are aesthetically innovating in the EA portfolio.

Does EA take a cut of Adriano's sites subscriptions or only DVD sales? In any case, Mike was always ripping off consumers with reusing scenes, from the early True Anal scenes being some of his last Evil Angel shoots, and the heap of Perv City scenes also being Evil Angel content.

He asked the sub to get her to Ireland . An suggested it had to be him that imitates mike

We also have to consider the possibility that Lou pickles or expoida could be involved in this one. They suspiciously just disappeared out of the blue and knowing their radical pro Adrianonic stances I can't imagine that they have abandoned the great Adriano culture war just yet.

Hey look!...I'm now talking to myself through dozens of alt subreddit accounts according to what (coomer-exposer) Joker claims! What's up Dirty Mike? Did you really scare Lily Lou off this subreddit because YOU BEGGED AND BEGGED LILY LOU FOR EASY ANAL SEX from Her preferred escort site (TRYST)? Mike wasn't in CHARGE!!!!,SO THE ADRIANO ANALYST THOUGHT HE COULD GET EASY PORN SEX FROM LILY LOU BECAUSE SHE'S A PORN GIRL! Whats your side of the story Bruddah? Lets hear what you got say about it! So Lily NOT into You because your a high strung wierdo? I do remember Lily Lou stated (Mike's a LUCKY-BOY WITH A BIG WINNIE!) in the AMA! You didn't meet Lily Lou's BIG WEENIE REQUIREMENTS BRO?

You are a dumbass twisting words an lying obviously a adriano analyst alt account.

The evidence is all there adriano analyst himself wanted to do a imitation scene with lily lou dressed as mike an doing his mikeisms. He asked the sub to fund that.

What I said was it was possible because she does escort. Tryst agency was where she was which I believe she went UTR which means not publicly posted after a bit.

She was harassed during the AMA an after that an so she most likely would not be interested in doing said scene. As she has left the sub an never returned.

Keep on cooming coomer. We don't need mike to say anything he isn't in charge of what she does just pays her for scenes he is not an agency. Your backwards logic trying to defend someone by twisting words shows you probably are adriano analyst yourself.

(Coomer-exposer) false accusations! Lily Lou actually told me to hire and pay a Girl for Anal sex and film it!..Her own words in the AMA.(Coomer-exposer) told this University that Adrainoanalyst begged and Requested easy sex like Mike Adriano's L.A sex Life is giving him. So am I talking to myself?

Coomer-exposer is liar/scammer/trying to convince subreddit members he is close to Mike or Lily Lou/Souther California porn industry! Its FALSE! YOU BRO!! Mike really doesn't care about you.. don't you get that!

I see this is very difficult for you to comprehend. Doing anything for long periods of time takes the fun out of it. I urge you to attempt even just making a decent attempt at filming you and a girl having sex. Then look at it after. Looks like shit? Yeah you were too focused on the sex and not the product.

Making porn is a completely different ballgame than just having sex with escorts

You make no fucking sense this question relates to nothing you are obviously the coomer trying to defend themselves in the most word twisting weirdest way possible.

This just confirms she wouldn't want to do it. It would have been possible because she worked for agency tryst not the website dumbass there's also an agency with the same name. Had adriano analyst actually been chill an professional with the funds it would have easily happened.

It's common knowledge you adriano analyst tried to do an imitation mike scene he admits as much here. Says he would have paid himself. Tho he did ask his sub to fund said scene.

This is why Mike doesn't want to pay for creampies. He is cleary struggling to pay the bills now that Adriano studies is exposing him for what he is. He probably spends close to 10,000 a day if you consider he pays for one scene every day and a couple of hundred vegan burritos. That would rip into the pockets of any man.

Another BIG reason is OnlyFans! The Porn Girls are using Mike to steal Mike's Fanbase directly to their OF account! This way all the profit goes to them and not to Mike! I just did a HOT scene with Mike...NOW check out my OF guys for better content! Haven't heard that before Bruddah? Mike's in a Financial Pinch right now.

Yeah probably why Mike can't get any high quality chicks anymore. They worked with him Years ago becusse they had to. While they enjoyed the company of James deenstein and Manuel, the evil Professor gapes had to be tolerated. They have options now and can avoid the dark entity if they wish much to the Professor's dismay.

Mike sometimes just gives up and sells his scene with the Girl outright after the shoot for a $ flat fee and the Girl sells it directly on her OF account and reaps the $ royalties for herself instead of Mike. That Kitana Montana scene was being directly offered on her OF account for $50.

But what if Mike always $$ paid for it his entire life Bruddah? That would make Mike somekind Anal Ponzi scammer(First in history of the World). Put your own $$ cash in for Anal sex with production costs and having New desperate men $$ pay into Mikes Anal sex fantasy with no real return of anything promised of Mike! (No no content or realistic sex for me who buy into the scheme) hehe. Mikes pretty slick.

I highly doubt Mike uses them anymore. The price is too high for the Female talent. That's why he uses skinny 18yr old tatted up Girls instead. It's more cost effective to him. Mike's scenes have to bring enough money to cover his production cost before he sees any profit through his main Distributor. Mike's profit is from the scene sales (royalties) from his Distributor. It's Mike's job to pay for the entire Production and only his Distributor to pay him (profit) royalties if the scene sells above the cost of making the scene and paying the Female talent by itself. That's why Mike disabled the download feature on his main Websites. If the scene gets downloaded by a user,it will be pirated and show up on the bit-torrent sites for FREE! HE LOSE ALL HIS MONEY ON THE SCENE!! MIKES FURIOUS MAD ABOUT THAT!

Makes more sense fellow scholar. I havent paid for his scenes so at least we are fighting the cause there. So clear it out for me, I saw a post of his tax debt and that somehow was linked to him not being able to upload new scenes ? Which is why he's doing dirty auditions ?

Exactly! Youre CORRECT, Most people on this subreddit think that Mike's Distributor pays for the production of his scenes! They think Mike is getting paid to have anal sex with these Girls by the the company or companies that distribute his scenes. That's FALSE! Mike pays the Girls himself with his own money. Mike pays for the camera equipment and camera guy(Lazlo) to film/lighting/props/Bobo bars/hair dryers/dental floss/soap/enema's/etc with his own money. Mike reaps all the $$profit if the scene sells well! Mike distribution company only charges a small fee to distribute the scenes to the consumers. Mikes scene sells well-BIG PROFIT BEEB!! Mike's scene doesn't sell at all-FAAAAK!

Yes..it's Mike downfall! He pays for the production (all of it) and collects the royalties from the Distributor. The scene has bring in enough royalties to cover his production costs($) JUST TO BREAK EVEN ON THE SCENE. I don't know who pays for the HIV/STD testing? Is it his Distributor or Mike himself? I don't know where the Girls are tested in L.A either. All I know is it is required from Distributor and the state of California for him to do so before the scene shoot. Does anyone know where Mike tests the Girls in L.A? Mike also makes some of the Girls sign a NDA form...and I don't know much about that part either. What up with Mike's NDA disclosure. Anybody know?

https://avn.com/business/articles/video/lansky-inc-meet-the-man-who-made-himself-a-brand-790493.html

Mike First met Greg Lansky at age 12 and traded Porn magazines and VHS to masterbate to on the weekend. Mike's First North American Adult Film was in 2006 (Slut Diaries) under Digital sin Distribution funded by Scott Taylor. Mike claimed he got a very bad case Food Poisoning in Berlin Convention..maybe indicates his change to Vegan.Greg and Mike First flew to L.A (Los Angeles California) in October 2005 and stayed Bella Vista on De Soto Avenue/Hollywood Hills California. Greg Lansky had only $350 dollars to his name! Mike money is not disclosed at this time. Mike and Greg haven't really talked to each other since 2016. Both took their separate paths!

(A-LIFE-WITH-NO-MEANING?) I learned a lot about Mike's winning ticket in the Porn Lottery Thanks to this Subreddit! I was some what fooled by his fans and critics about his so-called success! Mike was never really looking to make Money in the Adult Industry in L.A,but just wanted to be Apart of it.

I initially thought Greg Lansky pitched the idea of makin porn in L.A to Mike in the beginning! I was wrong! It was Mike who pitched the idea to Greg in the beginning! If Mike lived in Paris and Greg lived in France at the time,its strange they even met again by fate one day(both dropped out of school because they weren't learned how to make money with it anyway!) Mike did attend some AVN conventions in his past years,which I didn't think was capable of doing because he's so introverted. It's very strange how Greg's lost everything in the beginning because of his parent's not paying business/real estate taxes,when Mike doesn't pay his taxes either! I don't really know what mike is gonna do with his porn now? He doesn't have many options but to Shock people with puking/eating feces/urine etc with his Candy- Land porn sets of Donuts and Cupcakes! Only time will tell! Mike start in the Industry is pure Luck! If there is a word higher up than (Luck!) That's Mike's Destiny. Now it all falling Apart! It's now just A LIFE WITH NO MEANING!

Mike Adriano's Royal Mother probably Knew hers son was a coomer-masterbater to Adult Porn,but did nothing about it. The maids and Butler's knew as well.

Mike Adriano (The masterbater with Royal Blood flowing through his veins!)Mike attended the public school system in Spain or France in his young teenage life. Mike traded Money and personal items at school for VHS porn movies/Adult Magazine's with other classmates to masterbate in the early 90's. Mike lived in Paris and moved from Paris and Spain at any given time in school. The two Estate's he lived in had a butler and maids to handle choirs like cooking/cleaning/laundry/garden work etc. The maids must have known Mike was masturbating to Adult Porn in private at the Estate he resided at. Semen stains on his underwear/bedsheets was a clear sign of it. They must have told his Mother (Victoire) of his lustful desires at some point. I'm guessing his Mother was OK with it. If Mike was cooming to Porn,then why does he mock his fans by calling the Loser Coomers ,when he himself is as well! Mike pays for Anal sex which is prostitution, but not in the state of California with in the limits of Porn Production. Mike must have masterbated alot and I mean alot in the beginning! Specifically to the Anal scene's of the Adult Movies he hid from his Mother! Mike's hiding places for this adult material probably were quite obvious to the maids and butler's that upkept the Estate. Mike masterbated so much he was able to time his erections and pop shots for his own made up porn scene in his mind back then. Mike went to Budapest to use Steve Holmes editing equipment to make their first porn trailer for movie they made in the summer of 2004. Steve Holmes showed Mike Medition. to meditate for spiritual power. Mike meditates for an hour a day? The Vegan diet came

meditates for an hour a day? The Vegan diet came from Budapest as well? Steve Holmes is one Mikes closest friends. Mike buys him gift every year(oculus vr headset) etc. Mike got gravely ill at the Venus Adult Expo from food poisoning probably from eating processed meat! I think he checked into a Hospital to get treated for it in Berlin. This event changed his life I assume,because he missed the entire covention(5-6) full days.

Were all a bunch of weirdos? But haveing L.A Porn Girls SCAT down your throat isn't weird if you're Mike!

To SCAT(Mark your property to show ownership of them by shitting in their mouth)! Lily Lou and Aliya Brynn(Mike's former roomate and Porn Referee) were requested by Mike to SCAT for him live with rent-free or earn some money($1000) per shit in mouth. Now doesn't that sound weird? Aliya Brynn is NOT vegan! But Mike has her SCAT anyway. Anal sex isn't floating Mike boat anymore and gets off on having Porn Girls SCAT for him. Mike's cum a long way since his start in Porn with his weird fetish. Mike was looking to purchase a home near Los Angeles to start his porn empire while staying at the Bela Vista. Mike was working with real estate agents and phoned his mother(Victoire) about funding the purchase of the property. Mike was requesting a very Large Amount from his mother($700-900k) for a business opportunity. Mike's mother didn't hesitate a bit to wire him the money just off his word alone. Wow! I would assume Mike bought the Baza Mansion with this request. Mike started to feature as male talent only in the beginning for Adult scene's under New Sensations/Digital Sin and Bang Bros at first before starting his own Porn Enterprise. There's not much information on this time period,so I don't know much about his Bang Bros deal. Mike's main Distributor lost two Director's in 2009. John Leslie died if a heart attack and Brian Pumper was released from his contract because he filmed a scene of a woman without a Valid HIV/AIDs Test in 2009 as well. John Stagliano was looking for a New Director for his Catalog to replace the ones he lost. Mike was in the right place at the right time(Lucky-bastard). John sees Mike's work and likes it! John offers Mike a Distribution Deal to use Evil Angel to Distribute his movies using their branding in April of 2010. Now

movies using their branding in April of 2010. Now Mike movies are being viewed by a much larger and wider audience than before. This event changed his Life and his popularity soared! Who is this Spanish Idiot that can't even speak English or walk in a straight line with falling over? He looks like some poor immigrant who worked hard to make it in Porn Valley. That's just untrue and a Big lie. Evil Angel marketed Mike well..too well infact. It tricks most men. Under the Distribution Deal,Mike pays for the Porn Girls sex/and all other production cost that go along with it. Evil Angel only charges Mike a Small FEE for Distributing his Movies and scenes to consumers. Mike keeps the rest for himself ($royalties). Mike still uses the Brightly-colored clothing for most scenes, when he started with Evil Angel in 2010. He hasn't changed that.

https://www.reddit.com/r/AdrianoStudies/s/Nbkqg4ky4s Aliya Brynn talked shit about mike

Aliya Brynn is hosting a live on her IG rn, someone asked how was working with mike adriano, and she said that he is a piece of shit who drugs girls and forces some girls to live with him, like how he used to do with her.

She even said that he pays 1000 dollars to girls shit on his mouth off camera and said that he is a total creep.

Also, just said that he yells at everyone and if the girls don't fuck good, he yells at them.

I mentioned our subreddit and she said to send it to her email, maybe she can do an exposed here. I wanted to ask a lot of things but my english sucks

Edit: is there someway to see a recording of her last live? Lily Lou told us Mike has her SCAT for him in the AMA/check it out!

Victoire Sultan, her Power an Wealth($) is unmatched by th Living! Mike Ultra-Rich Parent's Secret life is more mysterious than Mike!

Mike's mother Victoria Sultan is a former Treasurer for the Moroccan family blood line in Western Europe. Wealthy Families or Individuals Trust Victoire with all their money for her to invest. This could be anything really. Gold/Silver/Coal/Oil/Energy/Mining/ect. Who knows really? Mike's Father (Leo) is rumored to be a top rank member of the Mossad(Secret Government Agency). Mike's mother is Jewish/Free-Mason/Skull and Bones member of many secret society organizations. Is that true? I don't know? Rumors tend to be true,but I just don't know. Mike's mother knows of hers son's Porn career and is Proud of him having sex with all those Porn Girls in L.A. Mike is the seed in her womb that she created at birth. As long as Mike is happy and healthy she is content with. She just wants the best for him. Mike's health may be a big concern for her though I would think. Mike has alot of sex unprotected with these Porn Girls which makes him vulnerable to HIV/AIDS Virus. The only thing Mike could tell her is that all the Porn Girls he works with are Tested for HIV/AIDS in minimum of 16hrs before the scene shoot with a PCR RNA Aptima Method. This isn't Full Proof,but close to it. If Mike were to contract HIV/AIDS from any Female performer is would be devastating to his Royal Blood Line. Maybe Victoire has access to the Cure for any Disease because of her Wealth and Power....it's possible,but we don't really know that. Maybe she does! And that's why she doesn't really care what Mike does. Mike set up Stepped Up Media LLC some time after he arrived in California in December of 2005,but I dont know if his mother had anything to with that business entity of his. It's all very mysterious. Mike's very anti-social and introverted when asked these Questions. When

introverted when asked these Questions. When confronted with Questions about his Life he always sends a Porn Girl to do the talking for him. But this just makes look like a coward. If Mike wants to sell his Porn Features and scenes to consumers on a grand scale. then your askin the World to make you famous and known to the World for your work.If you don't want people to know who you are,then why make Porn?But Mike doesn't think of it that way. He makes know sense. Mike's Ultra-Rich Family is scary if all the rumors are true. They have the power to destroy anyone if they find out who you are. I am super faaakin scared now Bruddah's. What is Mike gonna do to me if he finds out? Faaak!

I have no evidence or proof Mike paid back his mother (Victoire) back the $money for the residential Real Estate Purchase in California. He probably didn't. I don't think Victoire watches Mike's Porn or know if she even masterbates. Maybe she's trying to protect her fertility and eggs by freezing them in a medical Laboratory hidden somewhere in Europe or Israel,but there's not much information on her else. Bruddah.

Mikael Finquel AKA Mike Adriano (Stinky Fat Finquel), comes from wealthy parents. His father works in luxury real estate, selling mansions. His father was Jewish (Leo Shriqui) there is even an interview in Spanish where he talks about some buildings he made for the Jewish people in Marbella, Spain. His mother Victorie Sultan on the other hand also comes from a rich family. She still alive and even has Instagram, you can also see that there are photos of her with her son Mikael Finquel. Literally this pig lived in a palace with servants and everything. The only thing he did was "create" a fake gamblin page with the perfect excuse to ask his parents for money to start his career in pornography. Meeting Greg Lansky and making his name in the porn scene. Then he met more directors. But basically that's it, his life was lucky from the beginning, he is nothing more than a clear example of a fat son of a bitch who lied to his parents to support him in his business and carry out his vices.

Sure. The interview begins as follows: - "Hello people from Radio Sefarad, we are pleased to have Mr. Leo Shriqui on the telephone line. Nice to have you Mr. Shriqui, how are you?"
-Leo Shriqui: "thank you very much, I'm fine."
- "Within a few weeks the Jewish communities of Spain are going to pay you a tribute."
-Leo Shriqui: "That's right."
- "Why are they going to pay this tribute to you?"
-Leo Shriqui: "I guess it's because of the love I've had in Spain, for the Israelite community of Malaga."
- "Ok, and when was that?"
-Leo Shriqui: "It was in the year 1964."
- "In 1964 you founded the Israelite community of Malaga."
- Leo Shriqui: "Correct"
- "And how many people were in those communities on that date?"
-Leo Shriqui: "In the organization or in Malaga?"
- "In Malaga, in Malaga, how many Jews were there more or less?"
- Leo Shriqui: "There were about 300 or 250 Jews in Malaga."
- "Oh ok, and where did these people come from, how did they get to Malaga?"
- Leo Shriqui: "From Morocco (Country near Spain)"
- "Ok from Morocco, are you also from Morocco?"
-Leo Shriqui: "From the Casa Blanca."

- "From Casa Blanca? Most of the people in Malaga were from the protectorate, right? From North."

- Leo Shriqui: "Exactly."

- "And in what year did you arrive from Casa Blanca to Spain?"

-Leo Shriqui: "In the year 1970."

- "What did you work for?"

-Leo Shriqui: "All my life I worked in real estate."

- "Uhm ok, and since you founded the Israeli community of Malaga, have you been linked to that community working for it for many years?"

- Leo Shriqui: "Right."

- "But what have you worked with that community? How has it grown?"

- Leo Shriqui: "First buy a building. to make the

- Leo Shriqui: "First buy a building. to make the synagogue, and after having created the synagogue I have dedicated myself to building a cemetery and little by little I was able to be President I was able to pay for the entire security issue."

- "Umh ok, the community was growing, right? Today there are more than 200..."

(Interrupts)

- Leo Shriqui: "Sure. today I think we would be around 1,500 or 2,000 Jews."

- "Umh and apart from the synagogue do you organize activities?"

- Leo Shriqui: "More than activities, we hold meetings, I contact other communities until we reach the development of the communities to have a federation but with Israelis from the coast."

- "Ummh, and tell me how you have seen that the relationship between the Jews and the Spanish has changed in these last 50 years."

- Leo Shriqui: "Well, quite good, in addition to meeting and getting closer to the people of Malaga with what the Jewish community is and the activities."

- "And how do you think the relationship between the Jews and Spain (country) is? Do you think they receive them well?"

-Leo Shriqui: "Yes, I'm fine."

- "There will be many people who will honor you, you have many friends."

- Leo Shriqui: "Exactly."

- "Well, we wish you a very good day at the tribute, that you have good health and that you have many friends like these so that they continue to recognize the work you have done."

- Leo Shriqui: "Thank you very much."

(END)

I am Spanish and I understood the whole interview.

Mike is nothing more than the son of a multimillionaire couple dedicated to working in real estate. This fat fuck stole the money of his parents who worked all their lives, under the lie of founding a company.

Don't idolize too much a narcissistic bastard who has nothing but money in his miserable life. He has to be with a huge existential void.

Did Mike convince her to go Vegan? Mike spoke to her in 2004/2005 around that time Mike was 24-25yrs old. I'm learning as much as I can. Victoire gave Mike ($20,000-$25,000) in the summer of 2004 and another large cash advance for a real estate purchase in L.A around 2005 or 2006 for ($700,000-$900,000). Stepped Up Media LLC was formed after that. I am unware of any Evidence that Victoire visits Mike in L.A after that time in his life.Mike arrived in North Ameria in 2005 with a temporary Visa. Mike later got married to obtain U.S citizenship in California to Ashley Vanford(Andi Anderson).Mike paid his mother(Victoire) back the $20,000-$25,000 at the end of the summer of 2004. Victoire has Bodyguards with her at all times to protect her and her estate from the rumors...so sex is unlikely Bruddah.

Victoire Sultan's wealth was at her birth. Her family was rich before she met both men! The Finquel man wealth is not from real estate, but from some other way(not revealed or in secret). Leo Shirqui DIED IN YEAR 2015. Is the Finquel man still alive? Did Victoire meet him in Israel? I have so many Questions Bruddah!

Were all the original members of the (Malaga) of the Jewish blood in the first 300 members? Were there (Secret Members) that were of different blood and beliefs trying to corrupt Spain and Western Europe in the origin of the (Malaga)? Did Mike's father (Leo Shirqui) eat (Victoire Sultan's) asshole in a relationship before marriage related to the (Malaga) community/as a membership requirement? I need answers Bruddah's!

Leo Shirqui is not Victoire Sultan's only husband! Victoire was married to another man (Finquel blood ancestry) earlier in her Life! That may be Mike's true blood Father in his Anal Abyss. I need more studies!

My studies on Mikael will continue! Any information would be helpful Bruddah's. Someone told me Mikael may live at or near the 1600 Vine Apartments in Hollywood California but I cant verify that. Mike's eye sight may be getting worse day by day so his time may be limited on food/porn and video games. I assume Mike makes the Girls Sign the (NDA) Disclosure before the Porn shoot in-case the Girl changes her mind after the scene..but that's just Speculation. The NDA may be apart of the Moroccan Family Cult/community concerning his family's wealth and power. But I really don't know yet.

I've seen an old video with him and Rebecca Linares,a spanish actress, and yes, he appears to be somewhat fluent in spanish, but his accent is awful, considering he is spanish.

When it comes to french, I think he grew up in France, before moving to the USA. There, in France, he met and became friends with Greg Lansky, so I assume he must be fluent in french as well.

His famous phrase: "...Remember...English is only my third language."

I guess in order of fluency, it would be: French > English > Spanish

I would say that Victoire speaks French and Spanish, and Mike was raised speaking both French and Spanish.

Note that Mike's family is of Sephardic Jewish heritage, also known as Spanish Jews or Iberian Jews. Considering their role as treasurers of the Moroccan royal family, it's worth mentioning that over 30% of the Moroccan population speaks French, and approximately 4 to 5% speaks Spanish. These statistics lend weight to the theory that Mike's family is likely fluent in both French and Spanish.

Mike bought an expensive house near L.A and Greg was forced to sleep on the beach and sleep on couches/floors of random people's rooms in California just to get by. Interesting. I've been to Marrakech but didn't see the mutant ninja bison. Although it's a good postulation that Mike is part Moroccan since French is the main language there. Mike went to public schools in France and Spain when he was a teenager. Mike masterbated to French Porn Magazines and VHS tapes in his parent's Paris Mansion in the 90's. Greg Lansky had a Girlfriend around year 2003-2004). There's no mention Mike was in a relationship with any women or women at that time. Mike may have been experimenting with Drugs/ Marijuana/LSD/Shrooms/Coca and fingering teenage Girls/skipping school in Paris..but I have no Real Evidence of his teenage life. Greg and Mike did use Drugs when they started porn. Mike's Ex-Wife (Ashley Vanford) Andi Anderson had a Severe Drug Problem in the Porn Industry when she was legally Married to Mikael Finquel (Mike Adriano). I think Mike is a Drug user. No former classmates of Mikael have been made public. So finding a photo of him in the public school system in Western Europe would be darn near impossible..Bruddah.

Mike's childhood/teenager life isn't priority to many Scholar's on this sub. But it is IMPORTANT! It's the most humble time of his life...if you can even call that humble. Mike was always filthy rich from the day he was born. Mike's born wealth makes his life(no meaning) to himself because of that. Remember that.

The Malaga community is wierd and creepy. Victoire Sultan is her Malaga appointed name as former Treasurer to the Secret community? What the faak does that mean anyway? My brain is melting like a full bottle of Pjur throne into a hot oven. Victoire is more than just a Treasurer of money? What her full position in the Malaga?

There's not much information on Mike's teenage Life in Spain and France, 1992-2000. Anyone on this subreddit live in Europe? Can you access the public school systems in Spain and France around this time? It would be helpful to me for my studies!

Any Scholar's on this subreddit..Live in Europe? Can you access the Public Schooling System in France and Spain fron (1993-1999)? Mike went to public Schools around that time in Spain and France. I don't have much information on which schools he attended. I would be grateful if someone would check!

I don't know what name Mike was enrolled at public schools in France and Spain in the 90's..he was using the Mikael Finquel name/Mikael Sultan/Mikael Shirqui/Mikael?? I just don't know? Victoire Sultan name,may not be her maiden name as well. It's very difficult to track any of Mike's teenage Life! Mike may have dropped out of school at 16 or 17yrs old. Greg Lansky was Expelled from at least 3 public schools in Europe.but Mike may have NOT. I know Mike was Masturbating furiously to Porn in his teenage years..to the point of him trading items and money for magazinesand VHS tapes with any person he met in public shools to get off. The Porn documentary shows Jynx Maze saying (I gonna get my asshole pounded) maybe by Mike,but she's not specific! Has Jynx Maze been a Good Earner for You? .Says Louis!

Mikael Sultan Dropped out High School in France to become a Multi-millionaire $$$ with his Parent's Money! So whatcha Gonna Do About it? Victoire Sultan's Rich Baby Boy didn't win sheet at the AVN Awards Convention? That's sheets so 90's anyway.

Mike didn't Direct shheeet! He just wanted to be the male talent in all of Greg Lansky's Movies. He didn't care if the movies made any money in the beginning! Mike just wanted to have access to easy sex in L.A. Mike was probably a Virgin in Spain and France ,until he arrived in L.A in 2005. A bunch of Porn Escorts were summoned to the Bela Vista hotel in California that night to take the Prince's Moroccan/Sultan Virginity!! AAAHHHHHH! Mike's biggest Distribution deal in 2010 with John Stag's Company won him awards at AVN in the past...but Mike's to introverted and shy to show up because Mike's still thinks he's a Virgin...just like in Spain and In France.

Holy Moly, muh Brudder.

Great research, so we now know for a fact that Victoire finances his little boy ventures, but why?

Do you imagine Finkelstein calling his mom?

"Mudder, pleez cum heer. I need more gurls, young gurls!"

Maybe The Professor was a trouble kid and Victoire wanted to keep him bussy doing sheet instead of annoying her all the time. Maybe she hired high end escort for him when Mikey was just a teenage boy. That would explain his obsession with sex, women and who knows? Maybe even is passion for rectums, anal sex and sheet.

One thing is sure, the family and personal history of The Professor and Victoire is extremely interesting. I also like that we are all here commited to know anything about him, where does he live, where does he shoot, how much he pays to the girls, etc. He won't be able to keep all of that secret. Not even the Mossad will save him from us.

Holy sheet! Great research my friend. You would have to wonder what interest she has in funding and promoting porn? Just trying to make her boy happy or is something more sinister going on? We know money has never and will never be an issue for her so what's this about? This reeks of conspiracy. May I recommend changing your Gatorade for red evian water? It seems to work for the dark deity Mikael quite well.

Mikael's own Mother is bringing in cash flow to the community she runs for all of it's members! They get a return on Mike Adriano porn profit! She is content and pleased with her son's profitable businesses and so are her members! When she found out the truth about Mike!,she started to help him because it's NOW HER BUSINESS as well! Mikael has to give Victoire an EXCUSE why he didn't make money each month or year on their porn business! She wants an Answer! Mikael is so desperate to make money because of her. The NDA forms and no social media interactions refect that. The whole Mike Adriano porn is connected to Victoire and her business obligations as Treasurer to the community. She's to involved in Mike's Empire to have him FAIL! Mike needs to make Money or else!

So really victoire is the evil one and Mike is just a pawn? Perhaps we should rename this group "victoire sultan studies" and should concentrate on taking down her down since she's the real power behind the operation. Is it possible she is the one insisting on no more pay for creampies? It's very undignified and embarrassing for Mike to have to ask subjects this on camera, but perhaps he is just following victoire's orders. She doesn't want to be wasting cash flow on creampies so Mike has to suffer the embarrassment

Go and mail a letter to the Sunset Tower #1901 for Mikael asking him Questions about it. I wonder if he'll respond. Well it's become quite evident that Finquel likes to let girls stay over at his house. My theory is this Aliya Brynn chick hit up Finquel and they shot a few scenes for only fans and other sites and then she asked the dark entity to stay for a couple of days and that she would shoot more scenes with him.

Eventually he got her under his thumb and she agreed to be his little personal whore that stays at his place and he gets to call her up for his pleasure and film scenes. Then she agreed to film scenes for him.

Aliya Brynn is the closest thing that the monster has gotten close to a girlfriend in years.

Hey..Mike Finquel? Your Favorite movie (Dominion) released in 2018 is OK...but it's doesn't mean you have have Porn Girls SCAT down your throat to save animal livestock! Energy Drinks and Processed Meat is BAD for you but like Sythetic L.A Pot/Trea oil/Fungal chemicals/Viagra ED drugs aren't?

Mike's health routine makes no sense at all. Why drink piss and not energy drinks? Why pay Aliya Brynn and Lily Lou to scat down your your throat when they could just cook a meal for you if you pay them$1000 each time? Mike's trying to get Aliya Brynn to go Vegan and Aliya Brynn trying to get Mike to watch male to male gay porn so they can do a scene? Aliya Brynn gets of on pegging and men having sex with other men. That's Gross Bruddah! Anything goes at The Sunset Tower Apartments in L.A., but it's a life with no meaning if your Rich Mommy is paying for it.

Mikael Finquel (Mike Adriano) only married Andi Anderson (Ashley Vanford) just to get a permanent VISA to reside in L.A? Was there even a Wedding? Did Victoire_Sultan even show up to see her son kiss the bride? It's NOT a Jewish Wedding Either! They Divorced 6 months Later.Andi was on Drugs/Addicted

I highly doubt Sultan_Victorie even showed to the Wedding because she knew it was staged. Why does she get Bodyguards and Mikael doesn't? Is she that much more important than Mikael?????? Her English is bad , but Mikael's is bad as well. Mikael can only speak English in a Vulgar type slang of American curse words. I don't know how much $$ money Mrs Sultan paid Andi Anderson to giver son permanent residence in the state of California.maybe $100,000? I don't really know. Andi Andersonhas all but Dissappeared. Maybe Kasey Warner will too. Only Mikael knows. I would think twice before double crossing Mikael's Wealthy Family and Porn Enterprise before running off! Mikael and Sultan_Victorie want their money. Pay up or Else! They shall try to be like the most high!.

Mikael Finquel may have Fired Lazlo and used Aliya Brynn to film his scenes at the Sunset Vine Apartments for some time. Aliya Brynn's parent's were Drug addicts and she was homeless at some time. I don't know what Mike paid her or what kind of Drugs they used in the Vine Apartments Mikael leases for $10,000 a month or how many units he leases or sub-leases in the Vine Apartments. Mikael did rehire Lazlo for some of his newer content. Mikael's mother Sultan_Victorie may be content with Mikael watching Male to Male Gay porn..but I really don't know.

Victoire Sultan's Estrella Beer Commercial is about Saving The Mediterranean Ocean in Spain from Pollution! Her Entrepreneur Video is from the Jewish App Aish.com. She appears to practice Jewish Traditions and Laws via the Aish App for Android/Apple.She makes no mention of Mikael or eating Assholes!

Victoire Sultan may still have Mikael Finquel's over 100 VHS Porn Collection back at her Mansion in Spain! Mikael traded up to over 100 VHS Tapes to Masterbate to when he got home from Public School. I wonder if Victoire still has them? Mikael was the Original COOMER to VHS Porn when he was young boy/teenager! If you want to invest into Victoire Sultan's Favorite Spanish Beer Company. You would need to Open up a Brokerage Account! Can you refer one to me Mike? Which Company does Victoire Normally use back in Spain? Thanks for all your Help Mike. MAKING MOVES

The guy in the porn business whom Lansky has known longest is Mike Adriano, the performer/director who won the 2018 AVN Award for Best Web Director. Adriano has created his own successful sites, TrueAnal.com and Swallowed.com.

The two met when they were 12 in Paris, bonding through—what else—their love of porn.

"Because I had accumulated a great collection of porn magazines and he had accumulated a great collection himself, too, of porn and VHS at the time," Lansky says. "So we started trading immediately."

When Adriano moved to Spain with his parents, the two drifted apart but Lansky still considered him a friend. The odds of him running into Adriano on the street in Paris were slim, but that's what happened.

Great research my brudder. I will be for sure boycotting these products. It's concerning that these two snakey dimwits are in control of such an influential global industry. They are dangerously powerful. Can you imagine these two 12 year old dimwits meeting and discussing their porn obsessions? "Hey Greg brudder come here look at deeez sheeet look at diz gurls assss aghhhhhh"

We joked a lot about the Zionist conspiracy stuff but it all appears to be true with Mikael

Victoire really like origins of Spain! Why didn't Mikael Finquel Marry a Spanish Woman? Why Andi Anderson (Ashley Vanford)..is Swedish NOT Spanish or from Spain! Victoire would be more Pleased with Mikael Finquel if He made his Porn Empire in her Home land of Spain and Married a Porn Girl From Spain...instead of L.A.. I don't get it Mike?? All her investments MUST be headquartered in her Home Land of Spain for her to consider as a sound investment for her and her Members?? Strange! Is Spain all together as one people to be Loyal to each other in Trust as one whole community ?

Please! Victoire Sultan DON'T Dump Mikael Finquel's VHS Porn Collection into the Mediterranean Ocean of Spain..at least Give them to some Poor or Needy Masterbater in Spain or Give them back to Greg! The Swallowed/ALL ANAL entities are Registered in California and The NYMPHO Entity is in Nevada!

Victoire Sultan is Very Loyal the Industrial Brands of Spain. This would suggest She invests only in Spanish brands in Spain based on her Loyalty to her home land of Spain. I generally feel She doesn't care about Andi Anderson/Logan Long/Jynx Maxe/Lily Lou/Aliya Brynn/ect because they are not of Spanish heritage of Spain. Pjur Lube is based in Germany and NOT in Spain..so I don't think She has anything invested in that company. I think She really cares about Mikael Finquel and wanted him to stay in Spain for his Entire Life. Either way Mikael didn't need to go to L.A and start his Porn Enterprises because her Wealth was sufficient for him to live comfortably for the rest of his life even without Porn. I wonder if she took Mikael Finquel to Spanish Tennis events and soccer games as a young boy? I think Victoire Sultan is an Outstanding Treasurer of Money and Invests in Spain Wisely! Mikael came down with food poisoning? I guess they don't good vegan burritos in berlin. Perhaps his burrito got contaminated with some animal products or holy water making the Professor gravely ill.

It is crazy to think that just last century Adriano and Ianzky wouldn't have been allowed into Berlin city by the Führer at that time Adolf Hitler. But just a few decades later berlin would have its own new "anal führer" in the form of Mikael the confessor. I bet Adolf would be turning in his grave. I don't believe for a second that Mikael paid his mother back. Sure he won't even pay his taxes.

"Ferrara wasn't able to work with Lansky"

I think Lansky wanted to work with Manuel but Michael said no. Michael has always seen Manuel as a threat to his work and girlfriend Jynx Maze. At one point Logan Long was rising up in the ranks and was recognized by Manuel. I think Mike contacted Mossad to anally assassinate Logan (is jass pneumonia bebi) to remove competition.

Logan's gone, Chris Strokes now prefers BBC over 18 yo 'birth canals' (v a g j n a). I can smell something fishy, and it sure ain't Jynx's poozy. I believe Manuel is next for anal assassination. Mike is likely contacting Mossad as we speak.

Victoire _Sultan made the call to Mikael and said(people are talking about my investments and Olivia Valere? What going on/what did you do Mikael?) Don't worry Mom..I'll take care of it! How can I get rid of this subreddit and The Adrainoanalyst? Maybe offer a scene with a Porn Girl in L.A. Yeah!

The Adrainoanalyst has given up! He's now saving up money and packing up his belongings for the trip to L.A? Talking to a doctor about Viagra and loading up his amazon shopping cart with plus donuts and cupcakes. Mikael just want this subreddit to just go away. These fuckers just don't quit. What can I do but offer something to the head master Adrainoanalyst? Mikael would never leave L.A to go back Spain anyway. L.A is were the easy sex is! The Girls don't care how you look or anything really. they just want the money. like duh! If the Adrainoanalyst acually goes to L.A and eats some porn girls asshole while her back is arched with brightly-colored clothing,would this subreddit go defunct. Diss sheet getting personal Bruddah's! What should we do? Help the Adrainoanalyst or not? What are your opinions on it And NO. Mikael did not offer the Square-Emergency any L.A sex. Mikael thinks the Adrainoanalyst is running this sub.

Should We help the Adrainoanalyst go to L.A or send him to Spain to masterbate to Victoire_Sultan's Spanish Beer Commercial's instead? What should we do? What ever happened to the L.A eye doctor that Botched Mikael's eye Lasik procedure? Is he even alive?

Finquel got the fake coomer intel that adrianoanalyst and square-emergency are two profiles of the same scholar. That is why only one profile got the license to gape in L.A. The Dimwit has been led astray.

Here is PROOF (Mikael Finquel) wants turn this Subreddit in his Favor. This subreddit user(Postive_Disk9482) contacted me about inside Information from Mike Adriano's Production staff. He claimed Mikael was going to start releasing New Content in January of 2024. He claims to know someone for him.

Mikael Finquel released his first New scene in over a year on January 1st,just like he claimed! The conversation was on November 30th of 2023. This inside Information was accurate and Truthful! This means Mikael Finquel keeps his eye on this subreddit ..The Adrainoanalyst may have gotten something like this..offering him some kind Mikeadriano type of scene in L.A if he paid for the trip himself and could turn this Subreddit in the opposite direction. The Adrainoanalyst now calls Mikael Finquel a Genius and was totally wrong about him this whole time. Now the Adrainoanalyst is saving up for a trip to L.A for the Mike Adriano life? What happened? Whats going on? Did Mikael Finquel get to him?

I'm such a Dimmwitt! Victoire _Sultan is member of a high-end club/restaurant called (Olivia Valere) in Marbella Spain! Mikael Finquel may also be a member to this Prestigious club in Spain? Prices start at 100 quid/euro's. Celebrate go there as well. Mikael Finquel may have taken his dates there!

Olivia Valere is not a person..but a social club and Restaurant for Important Rich People. Victoire _Sultan apears to be member there and I assume Mikael Finquel is as well. I suspect Mikael took his female Dates to this club to impress them with his Wealth and Power. Mikael claims he never got sex with Relationships and Expensive dating and Porn was so much easier! It took me awhile to figure that out,Mikael. I'm such a Dimmwitt. Victoire _Sultan seems to be fond of this Social Club in Marbella Spain. The menu prices start at 100 euro's. Mikael Finquel's young life Spain/France has almost no information available! Mikael did spent alot of money on Expensive dates to Impress Girls in Exchange for sex,but he never got that. I can only assume he took his female dates to this club in Spain to show how important he is. He gave up on that concept along time ago. Masturbating to VHS porn in Spain was what drove him into the idea of dating/relationship would acually get him that,but it didn't. He spent all that money for nothing. Going to L.A and booking Female Talent through Porn is what got him sex. Not dating. Mikael was what he calls his fans at that point in his life. Just a Coomer Masterbater until the Adult Industry took him in. Mikael arrived in L.A in December of 2005 at the age of 24yrs old.

Adrianology Theory

I've spent my life batt ing Adrianology but in the last few days I've made the decision to embrace it I have decided that infact Mikael is actually a genius and that I too would l ke to spend my days getting blown by 18 year o ds and eating vegan burritos. We were wrong about sher ff Adrianostein. He has infact discovered the secret to l ving a perfect l fe. i want to resemb e h s l fe m nus the we ght gain and gapes. Vanilla sex wou d do I don't need to be eating bananas out of girl's gaping rectums.

So il need a lot of money which i'm saving Once I can get myself in the financia state to afford blowjobs everyday where do you my brudders th nk would be the best location to live out Mikael's depraved degenerate l.festyle? C assica ly I would have say Los Angeles would be the obv ous choice but now that it is infested w th Mike's anal overdose victims and drug addicts I'm not so sure. Which country/ state has the most sluttiest women who would perhaps do free creampies and keep a brudder sat sfied? I'm thinking maybe a tour of the states might be a good idea. Mikae is incapable of leaving the ana bunker so th s wou d be like a Mikael on tour l ke campaign so who knows what new heights and aghhs cou d be achieved. Any feedback would be appreciated brudders

In my country it's not legal nor do we have the population or the hot women to live the Adriano lifestyle. I'm thinking of going to LA to film myself aghhh down some throats. Hell in Los Angeles I could even pay some of the girls who have worked with Mike to make me aghhh with all the escorting services. This would be top tier fieldwork. Perhaps I could even meet mike himself at the local vegan burrito joints and confront him regarding crimes. Could be a good time to film my Mike Adriano documentary "finding mike. Think Louis theoroux style documentary but with the mentor as the focus.

Victoire _Sultan? Sultan is her sub-name meaning(Ruler or Queen Ruler) it's NOT her real last name. She's a (Jet-setter) by definition! Mikael Finquel is a (Jet-set) by definition. She rules over Mikael Finquel. Olivia Valere died of stomach cancer on June 9 2022. Victoire was very close to her.

Olivia Valere owns the Jett-setter club in Malaga Spain that Victoire and Mikael Finquel are a members of. Her and Victoire seem very close and her Death affected her and Mikael alot! She probably knew Mikael as a young boy or teenager back in Spain and considered him Family. She invested in Malaga Spain with 15 grants from the Daughter's of Hassanal Bolkiah and a Large suit filled with money. this could millions and millions of dollars. Victoire Sultan probably was the Treasurer of most of Olivia Valere's wealth and belonged to her secret community started by Leo Shirqui. Leo Shirqui died in 2015. Victoire was sole Treasurer after his death and did not re-marry as far as I know. Mikael Finquel is linked closely with these Two women of the Rulers of Malaga Spain. Given that perspective... he is worth more than anyone can image. Hassanal is worth over 30 billion dollars not counting his Daughter's own personal wealth. Mikael Finquel thought nobody would find that out. Had he not sent that harmful message to me. he probably would have been right.

Who will get Sultan _Victoire's Wealth of Marbella in the END? Mikael Finquel has no children that I am Aware of! Olivia Valere's daughter and 2nd Husband were in a long battle over her wealthy Empire. Her son Arnaud stole a Vintage Jaguar/paintings with a tow truck worth over 300,000 EUROS!

When Sultan's_Victoire is gone,she will give Mikael Finquel her wealthy Malaga Empire to him because he is her only child of her first Muslim Husband,but who will Mikael Finquel give her Outrageous Wealth to when he is gone? I suspect Victoire want Mikael to marry again at some point and have a child to solve this problem! Ideally, Victoire would want Mikael to marry an attractive woman whose blood line can be traced back to Marbella, Spain of Muslim/Jewish culture. This requirement would have to met im order to make it work! Porn Girls don't fit into that category. Mikael would have to re-connect with Women of Marbella which was a struggle for from his youth. At 43yrs of age. time is running out. Do the Women of Marbella even (ARCH) their back or want their asshole eaten? Your gonna have to try and find one Mikael! I truly think Victoire wants a child from Mikael at some point and wants him to cum back to Marbella Spain for a bit. Also,using Muslim words like(Sultan)in your Royal name is acually FORBIDDEN even if you convert to Judaism! I checked. Victoire married Leo Shirqui as her 2nd husband,who is really Jewish and converted fully to Judaism. Mikael Finquel and Victoire may have been affected by the Pandemic LOC/Gaza struggle in Israel. Mikael probably not ask his Mother for more money in that type of situation. Mikael may make his production staff donate to the Gaza Appeal relief as well. There's no doubt Mikael's production staff trolls this sub to tell him whats going here. Mikael can't stand a Woman that doesn't arch her back either! Even the Military outfits and Wide-Angle

Jew, but socially, he/she is a naturalized Jew, i.e. a "Ger". Never truly accepted as a real Jew and not trusted by many- as most naturalized citizens never are. No ancestry/ blood. Also, placed on a pretty much permanent probation.

To Muslims, he/she has committed apostasy and now deserves death penalty. He/ she is despicable and his / her life is now in danger (at least in theory).

Note that the location matters. In what country is all this happening?

The above is true for Israel. In most Muslim countries, a conversion of a Muslim into Judaism would be illegal. Also, most will not allow Jews in their countries.

In modern Western democracies, among locally born Jewish people, a Ger is way more accepted as a real Jew, no death penalty will take place, and a Jew converting to Islam is more accepted by locally born and raised Muslims as a true Muslim.

Mikael Finquel NEVER intended to have a Royal Child with Andi Anderson (Ashley Vanford) to tranfer his Sultan's Wealthy Empire down the bloodline. Andi Anderson is NOT from Marbella or of Royal blood to meet Victoire's Approval. I doubt she knew Mikael was even married in North America. Mikael probably never told her anyway. The Andi Anderson marriage staged with NDA agreements/pre-nup agreements/etc to protect Mikael's born Wealth from greedie American Porn sluts. The green card trade off did work though,Bruddah.

A bebi is the last thing Finquel needs. Having a mother as a porn star is bad enough but Mike? That insufferable bullying would drive the kid to the verge of suicide. "Hey Finq Jr, Did your dad pack you any shit cakes or butter cookies for lunch today?" "Last night I watched your dad eat a shit nugget and get puked on" "Hey loser, you got me singing bebi"

Mikael did his First (DP) scene with Steve Holmes. Mikael was very afraid with the scene and Greg Lansky with a camera 2 to 3 inches away from filming his deek in every scene. Greg Lansky was always looking and Filming Mikael's Viagra Deeek. That's some weird stuff Bruddah.

Greg Lansky landed a job at (Cellcast Media) in France to gain connections to Adult Director's in Spain. He helped his brother to go to Law school with his porn money. Mikael met up with the Production Producer of (Reality Kings) in 2007. That's probably how he got his Bang Bros deal before him and Greg started with Scott Taylor's (New Sensations/Digital Sin) brand. The Baza property may have been bought by Mike's mother's money on a lease/option purchase and then sub-leased to Criss Stokes after Mike moved out,but im not totally sure about that.

AVN

Holmes remembers how green Lansky and Adriano were on that set

"They were relying on Fabien and me," Holmes tells AVN. "Mike was kind of shy, he was in front of the camera and he wanted to fuck the girl. But when I told him, 'Let's DP her,' he was like, 'Oh, no, no.' And I was like, 'Come on, it's easy, I'm gonna anchor, I'll put her in a good position, you just come and stick it in.' So we did his first DP together.

"And Greg was directing, but of course he was depending on the input we gave him, Fabien and me. So actually we had a good time. We got along very well. They treated me super nice.

"So when we finished the production they were very worried what to do next. So they said, 'What do you think? Is it good?' Fabien was shooting camera, so I couldn't tell how the footage looked but I knew the scenes were all pretty OK.

"So finally when the production was over they

has become a sought-after booking in today's industry. Several A list stars such as Riley Reid, Lana Rhoades, Kendra Lust and Brett Rossi—have performed their first anal scenes for Tushy or their first interracial for Blacked; and it's no secret that Lansky will pay a premium to shoot certain performers doing first-time scenes.

"We don't charge him any more than anyone else, unless it's a 'first' something," says porn super agent Mark Spiegler, whose boutique talent agency has represented five of the past six AVN Female Performer of the Year winners. "He has a relatively unlimited amount of money, so he can pay whatever he wants to get what he wants.

"A lot of people don't want to spend anything and they get crappy product and then they complain. He has more of a forward-thinking way of doing business. You do something really good, spend a lot of money on it, and it will draw people to come and pay."

The approach not only has led to shelves stacked with AVN trophies, it also has

During his nightclub phase Lansky talked his way into the EFAP Paris School of Communication, where he enrolled in a couple of classes in TV production. Though it was a four-year course, Lansky had spent less than a year there when his instructors suggested he do an internship at a production company called Cellcast.

"They said, 'They're looking for people kind of like you.' And when they said, 'kind of like you' they actually meant hustlers," Lansky says. "And I actually learned a lot there because I can safely say I saw—from the first row—the birth of reality TV."

It turned out Cellcast did a lot of business with Endemol, a Dutch media giant that is the originator of several reality show franchises worldwide.

"Endemol is the pillar of reality TV," Lansky says. "They invented almost every single format—*Who Wants to Be a Millionaire?*, *Fear Factor*, *Temptation Island*, *Big Brother*. ... They own all those formats and from there they just license it around the world. And I

They think they're owed something. You're owed to prepare. That's what you're owed. You're owed nothing. Come prepared," Lansky says.

"A lot of times I'm not smarter or better, I'm just more prepared."

Lansky says he met with Mike, one of the principals of Reality Kings, at the AVN Adult Entertainment Expo in January 2007.

"And that was that moment where something tells me this is the right thing to do. Because everyone was doing the same thing in Porn Valley," Lansky says. "Everyone was like, go get a budget as high as possible. Then shoot five scenes—because it was five at the time, not four—as low as possible and then pocket the difference. Easy. Then rinse and repeat. For as many times as you can with as many companies as you can.

The Victoire _Sultan or Sultan_Victorie Dynasty continued! Is Victoire her Last Name or Her First name,Mikael? Victoire and Mikael merge their two names together to create (Mikavic LLC) for real estate purchases in Florida and elsewhere! Hmm that pretty clever Mikael! Pierre Elmaleh is their Broker!

Pierre Elmaleh is from Paris and rtobably has a solid background in Real Estate back in Spain with Victoire and Mikael in the past back in Spain. The Porn cash looks to be funneling through commercial and Residential Real estate purchases through their own personal broker in the state of Florida. Victoire may also be heavily invested in petroleum oil as well back in Spain. She complained before about the delivery strike with(TotalEnergies SE) corporation back in France. I don't know why they invest in Real Estate based in Florida and not California. If any Scholar would give me insight to this would be helpful. Any Scholar's that live in Florida and invest in Real Estate or attend/buy homes at these Florida real estate auctions ever heard of (Mikavic LLC) or of this Pierre guy? Mikael may have good knowledge of cheap real estate purchases because of his Mother's knowledge of Investing. I kinda wish Mikael would ditch the (military outfits) and have the Girls wear the Bright Neon outfits with the words(Shut-the-Fuck-up-Square-Emergency) instead. What do say Mikael..can you make the outfit scene work in your next shoot. I promise I'll go away,Bruddah if you do it!

Sultan_Victorie really likes high tower Luxury Condo Investments! Buy/lease/sell= Big Profit Bebi. The (Floridian 3007 Invest LLC) is just Mikael Finquel and Victoire Sultan in disguise. Mikael can pay his California tax debt..he's just doesn't want.

The Floridian 3007 Invest LLC is Mikael Finquel and Victoire Sultan. Victoire buys high rise Luxury condos and leases them out to residents. Once the price rises above the purchase price and legal expenses, she sells them and buys more. It's just a buy/rental and flip off market appreciation strategy if done the right way. Mikavic LLC is inactive and been dissolved. They just use The Floridian 3007 entity to buy real estate now. Victoire Sultan is the acting Officer and Mikael is the Agent to the business. The LLC was being operated out of a condo unit #3007,until they moved it to unit #3103. The #3007 unit was sold to a Jewish Woman (Talia Zapolanski that owns Vast Ventures) for alomst $1.5 million dollars. Talia may be one of Mikael's and Victoire Financial officers to Floridian 3007 Invest LLC. Mikael and Victoire probably talk regularly, since they do invest in real estate under the same LLC. Victoire Sultan knows about Mikael's Porn career, but doesn't care in way to change his mind about it. Victoire probably set up an LLC to buy Mikael's Baza Mansion and then leased to Criss Strokes before selling it to a construction company. Victoire and Mikael are selling the Floridian condo unit #3103 as of present. Victoire does like Luxury condos in Florida because the Flood and wind Insurance from Florida Hurricanes are covered in the HOA fees for the tower building. Victoire probably is helping Mikael with his Porn Enterprises to some extent. Mikael doesn't need to hide his porn career from her. She already knows and doesn't care else.

Victoire and Mikael are not selling the #3103 unit in the Floridian condos, but leasing it out to renters. Sorry about that wrong information about selling it. Victoire Sultan and Mikael Finquel would actually be your Landlord if you acually did lease it from Floridian 3007 Invest LLC and shot your own porn in the unit itself. Now that's Haawwt!

You could lease Sultan _Victoire and Mikael Finquel expensive Floridian condo and shoot porn at the unit ..if Mikael would allow you to? They own and lease the #3103 unit! Victoire doesn't care about Mikael's porn and is more concerned about walking her puppy on the ocean front Sidewalks of Marbella

The video of Victoire Sultan walking her puppy and speaking French may still be up on the victoiresultan@gmail1 It may taken down now though.

Mikael Finquel and Sultan _Victoire Miami Purchase/Lease/Flip Explained! Sultan _Victoire is Faaakin smart Scholar's! Mikael can pay his California Tax Debt for (Stepped Up Media LLC) with his Victoire's real estate investments but just doesn't want to because he's just cheap or Greedie.

Pierre Elmaleh bought the 640 West Miami 3103 condo for $858,500 in October 20th of 2014 acting as a broker to purchase real estate using a financial banking investment loan or his own money. Pierre then sells it to Mikael and Victoire (Floridian 3007 Invest LLC for $870,000 on November 6th 2014 for a (%2) fee added to the Principal purchase price. Mikael and Victoire then Lease out the #3103 unit to tenants (renters) for $6000-6500 a month to cover the carrying costs of the unit itself. Each year the #3103 unit go's up in value (market appreciation). Mikael and Victoire bought at $870'000 and by year 2024 the #3103 unit has gone up to $1,252,791 in acual value due to Market Appreciation. Mikeal and Victoire made $383,000 in profit off the Miami condo just by holding it for 10 years and having renters pay the $6500 each month on their lease terms. That's not including the Vacancy Loss of the unit if it's s not leased to a resident. The only way they loss money is if the Miami unit is Vacant for a long period of time. Mikael and Victoire are using the Buy/Hold strategy to make money on the condo unit. It only works if the real estate market is healthy and appreciation is strong. Mikael can use the properties taxes as a writ off for the Floridian 3007 Invest LLC as well. Victoire is very smart! Her knowledge of luxury condo flips is evident. Impressive Mikael...I'm about to cum!

Mikael Finquel's FAKE-Reality Porn debut and Deal with Bang Bros,started in 2007 after meeting a Top Producer of(Reality Kings Distributor) in Las Vegas at the Luxury Hotel(The Venetian) for the AVN Adult Expo held that week is not talked about because it's totally staged / FAKE and just Stupid?

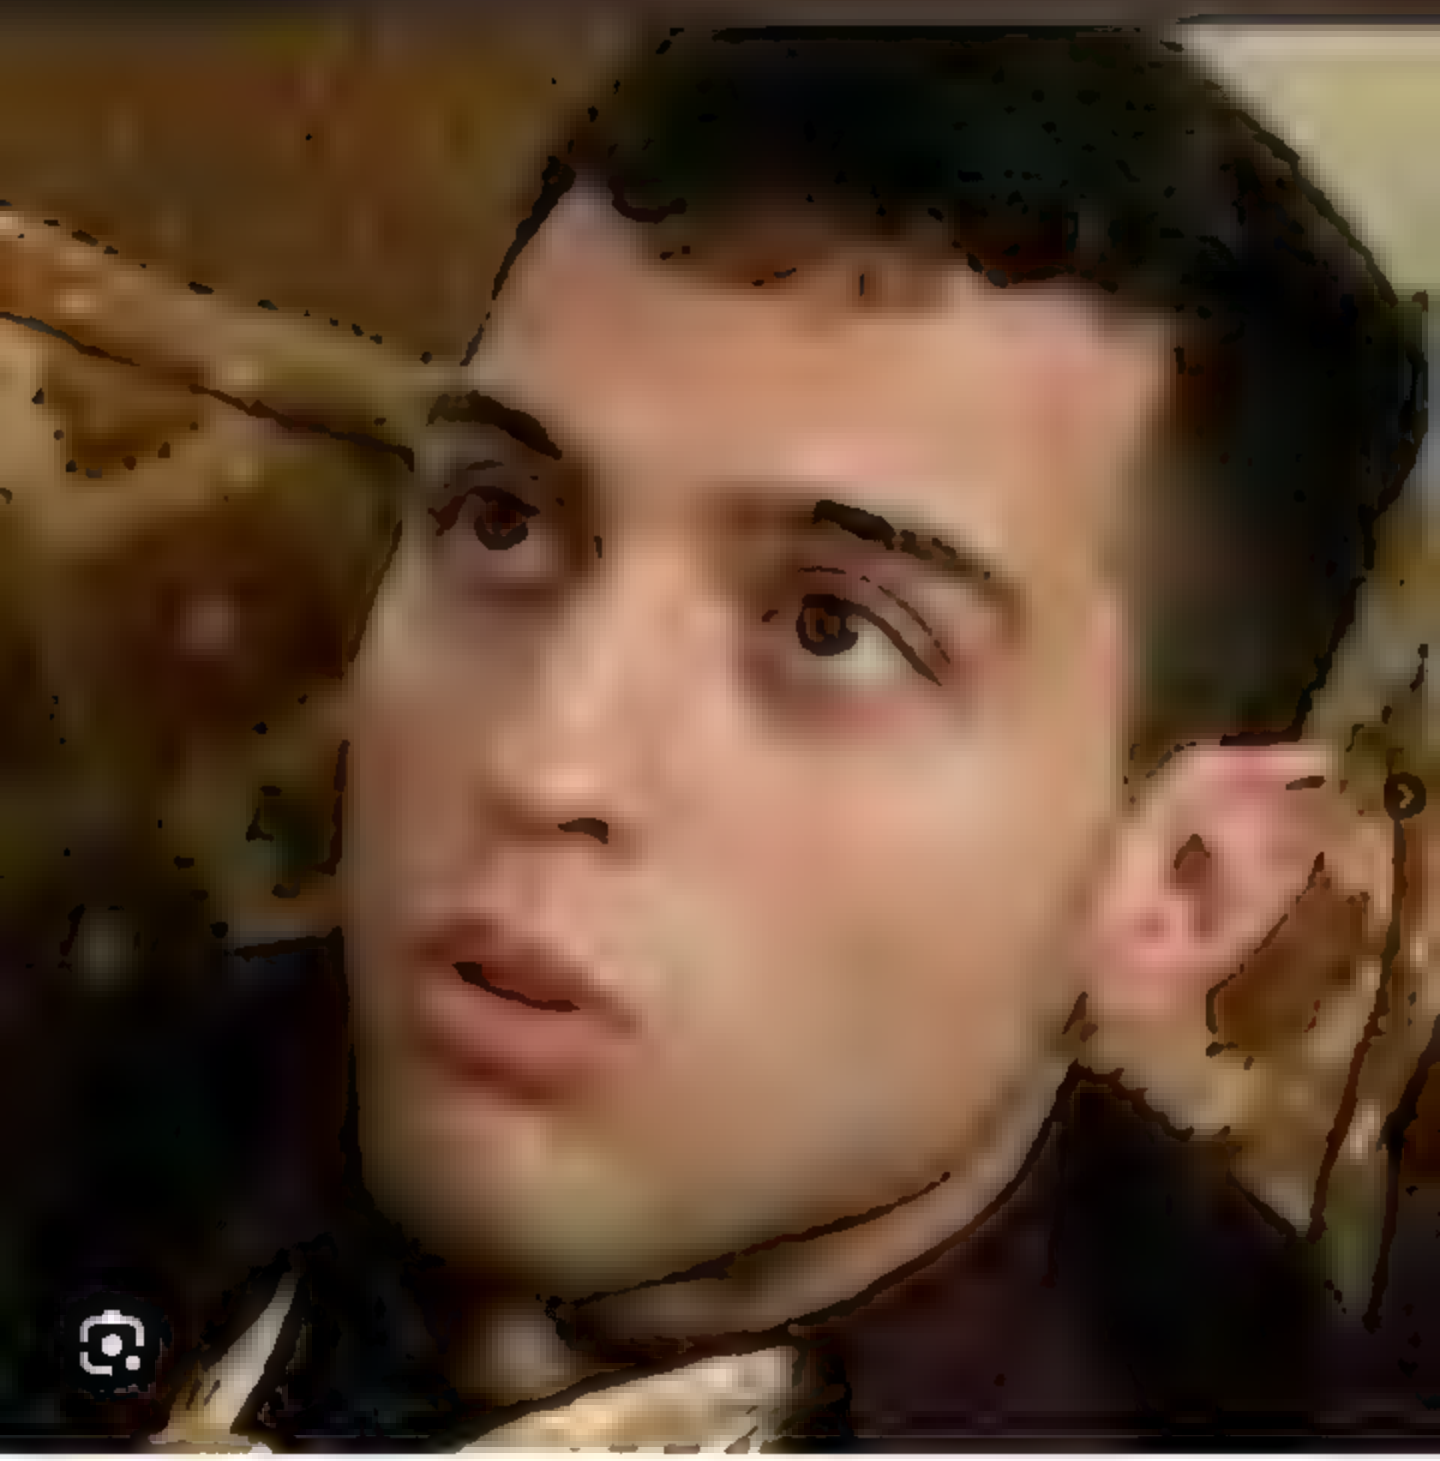

Greg Lansky had to beg Mikael Finquel to go to the AVN Convention in 2007 to try and sell their Porn to willing Distributor's! Mikael can't stand those type of porn Conventions! Greg Lansky makes Mikael DO-IT! Mikael meets the producer of Reality Kings(a porn company based in Miami,Florida). Mikael agrees to a deal with Reality Kings for a staged Reality Porn series with them. The deal appears to fall through,because when Mikael jet-sets to Miami, he finds a better deal with Reality Kings competitor Kristopher Hinson's Bang Bros company. I don't really know if Mikael Finquel was paid by a scene by scene basis or as a Bang Bros Director. It looks as if he was just cast as the male talent for their Productions. Mikael was paid $300-$400 per scene? Does anyone know? Mikey Butders did most of the early Bang Bros intro's and is quite annoying as a college Frat idiot introducing Mikael as some Anal Sex stud for Miami Porn Girls looking for Quick cash. Mikey Butders real name is Michael Pedragosa and looks to be retired from porn. He works as an Insurance agent and advisor from some company out of Florida. It doesn't appear that Mikael Finquel has any type of friendship with Mikey Butders. Maybe Mikael Finquel has Insurance policies with Mikey Butders on his Floridian Investments?The Bang Bros deal probably made Mikael fall in Love with Miami Florida.. that's why Victoire Sultan and Mikael are so invested in Luxury Real Estate Condo's in Miami. Mikael gives up on

Victoire Sultan and Mikael are so invested in Luxury Real Estate Condo's in Miami. Mikael gives up on Staged Reality Porn and try's to mix amatuer porn with studio porn,but it doesn't work. It's just Low-quality/Low-budget studio porn... not amatuer. Kasey Warner even knew that. She just can't make it work out Financially for Mikael because the tube sites offer the same thing for free. Mikael was probably Jet-setting back and forth from L.A to Maimi on regular basis back when Bang Bros hired him. Kasey Warner calls Mikael (a Mentor) or (Teacher) of the Porn Industry? Not sure what that means? Kasey Warner seems to suggest that Mikael Finquel's is a Kind and Gentle person. Mikael and Victoire both have cute puppy dogs to show themselves as Gentle/kind human beings,but is that REALLY TRUE? Also, John Stagliano doesn't approve of (Audition sets/casting couch sets) like Mikael uses from Dirty Auditions and other similar productions he uses. But Mikael doesn't care anyway. I hope you Scholar's enjoy my posts. More Sultan Dynasty posts are on the way. Bruddah's! Let me know if your interested? Mikael Finquel doesn't care anyway. Thanks Bruddah... I try my best! Mikael's Finquel's (Lit Up Media LLC) is Registered in the state of Nevada and on October 12th of 2020 Mikael Finquel assigned all Trademarks to (Lit up Media LLC) and then to his current business model(Clarity Media Inc) in L.A. Clarity Media Inc is being run out of unit #1701 in the Vine Sunset Tower Apartments in L.A by Mikael. Mikael leases at least two units there #1901 and #1701 in the tower building.

Mike's Lit Up Media LLC is still active with all his 4 Trademark brands while being operated out of Clarity Media Inc. Clarity Media Inc is not an LLC,but a Corporation that can sell shares to investors like us Scholar's or Mikaels own Wealthy Family. You wanna buy some shares in Clarity Media Inc Bruddah? There's like no risk else!

What?! Is this another porn company or is this dimwit going to be making non-porn films? He better come (agh) up with better titles than "Epic Anal Assess #2" or "Up Her Asshole #3" if he's making a film!

I would assume the FILM PRODUCTION is Mikael Finquel Adult Porn in a main-stream term. Like Mikael makes FILM PRODUCTION as a HOLLYWOOD ACTOR. Go look at the (Product/Services:) for Clarity Media Inc and see for yourself!

No he's not! Mikael Finquel is the President and owner of Clarity Media Inc (corporation not LLC) you can buy shares in Mikael Finquel's company(Clarity Media Inc)if you meet his requirements! You would need to send a letter or contact the corporate number to ask what his requirements are to purchase shares in the Corporation? Mike's mailing address is the Vine Sunset Tower Apartments in L.A. The unit number is #1701 in the building. You would need a P.O box for your mailing address as well. I would not use your own address. All four trademarks Swallowed/NYMPHO/All-Anal/and True Anal are Registered to Lit Up Media LLC in Nevada now and not in the state of California. All four Trademarks are bieng run by the Clarity Media Corporation out of Mikael's Vine street Apartments in L.A.

Unknown? Mikael Finquel hasn't released a Financial statement for Clarity Media Inc since 2020-2023 till Present. Mikael has no business #phone number for the Corporation, just the Corporation address of 1480 Vine street #1701 Los Angeles CA 90028. You can only send Mikael a letter or Envelope asking for a copy of his quarterly or annual earning statements and his Shareholders Requirements to buy Stock in his Corporation. Clarity Media Inc is Listed as - General California Stock Corporation - as Entity Type. The company specializes in FILM PRODUCTION..Bruddah! It looks like a Haawt investment. Address to Mr Mikael Finquel (CEO) of The Clarity Media Corporation of L.A!If Scholar is using a Large Vanilla Envelope..you need 2 stamps on the top right corner of Envelope! Using your own personal address at your own-risk for any Business reply from CEO Finquel or his staff!

Mikael Finquel/Victoire Sultan's Real Estate Flip Team in Miami Florida. Does Mikael work with Mike Moz/a Florida Porn Mogul.

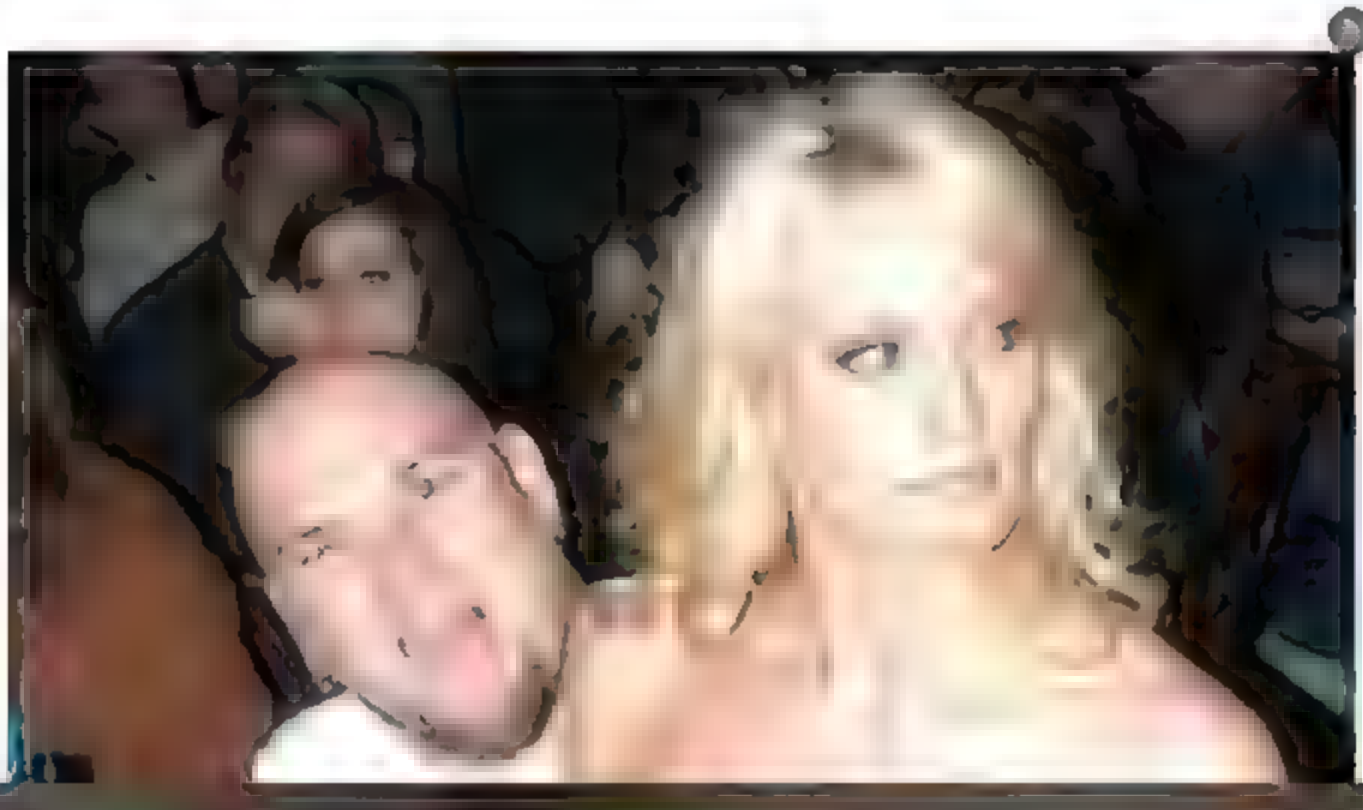

Mikael Finquel runs Floridian #3007 Invest out of an investment hub run by Talia Zapolanski. Talia operates Thor Investments and Vast Ventures Financial out of the Floridian unit. Mikael and Victoire Sultan bought the #3007 unit from a broker for $900,000 who bought it at Auction in Dade county for $891,000($9,000) broker fee which then Flips and sells it to Talia Zapolanski for $1.47 Million! That's a $570,000 net profit for Mikael and Victoire Sultan without agent fees/taxes and carrying costs! Talia runs both her investment firms out of Mikael and Victoire Sultan Corporate LLC (Floridian 3007 Invest). Talia portfolio is pretty vague. Does her firms Invest in real estate/stocks/hedge funds for consumers and Mikael/Victoire? I encourage any Scholar's to contact her and ask what she can do to help make your financial future robust like her current client's. She may work with Pierre Elmaleh regularly on broker purchases at Dade county Auction. I will post the auction details soon,so any Scholar's can check it out. You might see Talia/Pierre or Victoire Bodyguard bidding on cheap Floridian Condos. You can send a letter/vanilla folder asking her for Investment Advice similar to Victoire Sultan Mikael Finquel's strategies in the marketplace. I don't know if Mikael Finquel has ever worked with Porn Mogul Mike Moz in Florida Maybe he has? I don't know much about Mike Moz. It's kinda strange that Mikael Finquel and Victoire Sultan's company(Floridian 3007 Invest LLC) is being operated out of a residential owner occupied unit owned by Talia Zapolanski. Real Estate/stocks/hedge funds investments out of Florida broker firms seems to Mikael Finquel's back-up cash boat. That some Haawt $profit Margins Bruddah!!!

According to the annual report, 650 West Ave unit #3007 Miami is the Registered Address for Victoire Sultan and Mikael Finquel (Mike Adriano) as of Present year 2024! Talia Zapolanski also owns 650 West Ave unit #3007 at the same time as of 2024. Vast Ventures is also operating at the same address as all 3 Entity's in Miami Florida. Talia bought unit 650 west ave #3007 in 2022. Mikael and Victoire Sultan still operates out of Talia's unit #3007 with their company(Floridian 3007 Invest LLC at the same time as Talia owns it personally) strange? Any Scholar/Individuals can ask Talia Zapolanski for Investment Advice similar or recommend the same Investments as Mikael Finquel and Victoire Sultan. Talia Zapolanski speaks Spanish and some French just like Victoire Sultan in Marbella Spain. Go take a bunch of Viagra and give her a call Bebi!!!

Oh no, vulnerable consenting adult women who made a conscious choice to fuck on camera and receive a fat paycheck. Doesn't anyone ever think of THEM? They're basically children after all, where's the state mandated supervision because clearly they can't make any decisions for themselves!

Bro these women aren't trafficked, they're mostly either dumb or willfully refuse to do anything about their trauma and take it out on everyone around them. There are absolutely some good ones out there, don't get me wrong, but those idiots ruin it

How beeg is the cheque you receive? 2k?

For me personally my rate for his anal sites is $2,000-2,100. Swallowed is $800-$1000. Newer girls will be from $1,500-$1,700 for anal and $500 for bj.

Is Mikael Finquel committing TAX Fraud?

Mikael transfers All Anal/Swallowed/True Anal and NYMPHO to the state of Nevada on October 12th 2020. Dirty Auditions is being run on a separate entity LLC out of California maybe? I'm unsure? All scene's are shot at the Sunset Tower Apartments in units #1901/#1701 under Clarity Media Inc.,which is a corporation based in California at the Sunset Tower Apartments unit#1701 I don't know if Lily Lou/Mikael Finquel and other Porn Girls report the $pay rates for each shoot to IRS. Probably NOT Does the IRS care? Who knows? I'm going to send a Vanilla letter to the IRS with Clarity Media Inc to the (FTB) Mikael Finquel is CEO/President and Manger of Clarity Media and other Shell LLC. Most are suspended or Defunct. I don't know about Floridian #3007 LLC though? That one is strange? Talia Zapolanski/Victoire_Sultan and Mikael Finquel are involved in some kind of Real Estate Flip/Hold/Lease Business out of Florida. Talia uses (Proptech) software to evaluate commercial and Residential Real Estate in Florida and North America. Mikael and Victoire may be using this Software. Unit #3007 in the Floridian condos is the same corporate address used by Talia and Mikael/Victoire_Sultan. I don't know if Victoire _Sultan let Mikael Finquel use the #3007 or the #3103 unit for any shoots or if he masterbated in both units. Clarity Media is a (California Stock type) corporation that does (FILM PRODUCTION) under California Code. Vast Ventures demo's and sells Talia Zapolanski Real Estate Software that may be used by Victoire_Sultan and Mikael.

I believe the IRS has a whistle blower program that gives out money for exposing tax fraud. Not sure if this applies to Jews/Mossad agents as they seem to be very well connected in US gov agencies. Good luck brother if I were you I would find an Arab/Palistinian IRS agent and blow the lid off of Mossad mikes operations.

1. Mikael Finquel aka(Mike Adriano) ,I suspect to be committing (Tax Evasion Fraud) under the California statues and Laws of the Franchise Board of the state of California. Mikael Finquel is CEO and President of Clarity Media Inc as of present in the state of California. Clarity Media Inc operating Registered Trademarks (Swallowed/True Anal/All Anal/ and NYMPHO) out of the state of Nevada to by pass it's previous (FTB suspension) with Mikael Finquel's (inactive) Stepped Up Media LLC as Registered in the state of California currently because of delinquent taxes not being paid for by Mikael Finquel for his business entity (Stepped Up Media LLC). Mikael Finquel is currently operating the same business type (Film Production) with his current business (Clarity Media Inc) to avoid paying delinquent taxes on his past suspended entity(Stepped Up Media LLC) business type (Film Production) Entity. Mikael Finquel payrolls Female talent with cash/Paypal/wire transfer and check for each scene/feature for his Film Production catalog which I believe he and performer's do not report or document for Mikael Finquel's Productions to defraud the state of California's Income tax laws as per stated by Adult Performer(Lily Lou) on Subreddit (Adrianostudies). I wish to remain anonymous with this requested inquiry. Mikael Finquel's trademark (Dirty Auditions) may also be delinquent on California taxes and be shelled in another LLC Entity hidden from the state of California and the Federal agency (IRS) to by pass any tax liens or encumbrances against it's companies expenditures. Mikael Finquel started all his business LLC entity's in 2005 under the Falsely sales-pitch to Investors(his own parent's included) in starting a sham on-line Gambling Website. The Online gambling Website was never set up or surfaced as far as I'm aware of.

bruddah, i mentioned the mike adriano subreddit to show how many people know of mike adriano, 150k, and there's will hundreds of thousands of people who know him who do not use reddit.

if only 10% of that 150k subscribe to his sites the guy is rolling in money.

I'm with you brudder. We can fact check the daily visits to his sites. We have discussed this before at MAU.

Mikhail B Finquel is surely a millionaire. I will look up the stats again later.

3 Reply Share

Square_Emergency_262 OP · 2mo ago

You're still giving out a FALSE #number! How many people acually pay for his subscription sites in UNKNOWN! He doesn't release that information to the General Public. He probably never will. If he allows Xvideo and other tube sites traffic his content for free then why charge for a subscription website? If he's makin loads of money off paid subscriptions, then why doesn't he move all his content to all his subscription websites to collect the fees for work load over the years?

i bruddah i do not claim to know what he makes, I'm making an assumption and estimation of how much the professor makes. We can make educated guesses too how much he makes.

He has channels on videos for publicity to funnel new people to his sites

It's not just speculation. You can check how many visits The Bastard gets to his sites per month. It's easy to look up.

The only guess work is how many of those visits are paid subscribers. But even if it's a tiny percentage of the visits, Mikhail is raking in the dough in his anal bunker.

5 Reply Share

Square_Emergency_262 OP · 2mo ago

Perhaps? But I can't confirm that. He doesn't release that information.

The fourth image is of Brandon Irons, an early 00's pornstar renowned for his on-screen sexual violence. This makes me think this is not true.

Mike and Greg got off the Plane from France and went straight to San Bernardino County Court House to apply/pay fees for an (Adult Performers License) in California? They may have done this on-line back in December of 2005? You need a License to use Talent Agencies in L.A.

Mike never talks about his start in the Adult Business because he was so excited he didn't have to Masterbate in his Parent's Mansion anymore! Mike was The World's King COOMER! Masterbating to Porn VHS and Adult Magazines. He traded whatever he could in public schools in France for Porn items,but acts like he never need to masterbate because he's God's Gift to All Women and Anal sex is King in L.A! Now one must pay a $1600 fee and take a Blood born pathogens class required by the state of California to obtain a sex performer's License. I wonder if Mike wants his fans to travel to California and try to imitate his Lifestyle or just masterbate to his L.A porn features? I can't blame The Adrainoanalyst for being curious about doing that,but it may have gotten himself into some type of trouble with the law. If the Adrainoanalyst acually did film a Porn scene in L.A and Mike saw it... would he laugh at it or have L.A porn girls Puke on it and have Mike eat his own feces /Drink piss to make himself forget about it? I wonder? I bet Mike is Laughing his ass off...if The Adrainoanalyst REALLY is in a garda Jail in Ireland. Faaaak!

Mike has a Sex Worker's License in the state of California, so he can Legally pay for sex from Talent Agencies like L.A Direct Models and Spiegler Girls for his scenes under the by-laws of the state of California. Anyone can apply for a License if they STD free and take a blood born pathogens class now. The fee is outrageous (like $1673 dollars) for 2 years. Mike is Filthy Rich..so it doesn't matter anyway. Mike doesn't Date Women ..he just wants the easy sex L.A has to offer. Mike was never happy in Spain with his wealth and his expensive material items his parent's had.

Mike has a Sex Worker's License in the state of California, so he can Legally pay for sex from Talent Agencies like L.A Direct Models and Spiegler Girls for his scenes under the by-laws of the state of California. Anyone can apply for a License if they STD free and take a blood born pathogens class now. The fee is outrageous (like $1673 dollars) for 2 years. Mike is Filthy Rich..so it doesn't matter anyway. Mike doesn't Date Women , he just wants the easy sex L.A has to offer. Mike was never happy in Spain with his wealth and his expensive material items his parent's had

Both were born with a silver spoon and grew up to have a penchant for rawdogging pornstars, running scams, narcissism, tax evasion, exploitation and fake virtue signaling. Mikael pretends to care about progressive social justice causes while never actually volunteering for any real activism himself, and Donald pretends to care about Christian values and scripture while never memorizing a single Bible verse or ever having any involvement with a community ministry. They're like a real life Patrick Bateman if he were to make his living in front of a camera.

Mike and Greg's start with Johnny Taylor's Digital Sin studio? Mike uses L.A Direct Models Agency for almost all his scenes! Fran Amidor probably knows Mike well. Mike's Stepped Up Media studio pays L.A Direct Models up front and a Driver drops of the Porn Girl/Girls to the Baza Estate(Anal Mansion)

Mikael Finquel sets up Stepped Up Media LLC in the mid 2000's and uses it as a production studio (Stepped Up Media Production) specializing in Film Production. Mike obtains a sex workers License in the state of California to use with his Studio(Stepped Up Media). Mike calls L.A Direct Models Talent Agency and requests Girls for an Adult scene. Fran Amidor or Veronica Nolind give him a list of their contract Girls in their catalog. Mike pays the Girls up front or L.A Direct Models for the scene? This depends really?The Girls pay for their own HIV(Aptima method)testing and are reimbursed later by L.A Direct Models in their paycheck. Mike books the Girl and L.A Direct Models sends their own Porn Girl Driver(Alex Valdez) to drive the Girl to the Baza Mansion location and then picks them up after the scene is filmed. L.A Direct Models probably knows Mike Well. I'm not sure if L.A Models Direct actually requires a scene to be distributed from the booking studio or if anyone with a studio(LLC Film Production Company) and Sex Worker's License can just use any one of their female catalog Models for easy Anal sex? Mike wasn't really a male performer but just a coomer masterbater back in Spain..dreaming of easy sex in L.A. Mike was always Filthy Rich and could pay L.A Direct Models any price they demanded..so there was no real pressure on Mike if he could keep an erection on set. Mike probably was taking ED drugs from even the start of his career. Steve Holmes did show him what herbes/medication to take for a scene shoot back in

herbes/medication to take for a scene shoot back in Budapest. Mike did Medition with Steve Holmes(45minutes) a day to Viagra? I thought Fran Amidor was retired, but it appears she still works for L.A Direct Models. Derek Hay did sign Jynx Maze to a contract with his talent Agency. Mike set up Stepped Up Media LLC as easy way to eat Porn Girls assholes as some kind of Production studio? Can anyone set up an LLC in California and call it a (Production Studio) if they wanted? Mike did it..just for the easy sex in L.A. L.A Direct Models now requires the Female Performer to test for HIV every 14days instead of 30days after 2013(The laws changed). Mike didn't really have any experience with filming a scene back in Spain or with a camera close to his genitals and somehow he was able to perform without any problems? This seems phoney. Mike was chronic masterbater before his porn career even started,so I assume he stopped masterbateing (cold turkey) and took a Viagra back then and never failed? I dunno Bruddah's? I wish Mike would tell us. Sorry if I sound like I'm rambling like a Moron. Mike. I'll try to do better in my future posts! Thank for caring Mike. Just shut the Fuck Up Square-Emergency. You IMBECILE!! Like Faaak

Sort of. But the real Entity WON'T let anyone film his Face Bro! Does L.A Direct Models require any LLC company that claims to be a Film studio to release a scene to the public or can Mike/Anyone use it just for filming sex or sex itself? Mike or Anyone just use L.A Direct models for legal Prostitution in The state of California without ever releasing a Filmed scene to the public? Mike never cared about the money in porn in the Beginning. Mike just wanted to eat Porn Girls assholes. Later on I believe he wanted the money after his sexual desires were somewhat satisfied. Mike didn't make real Porn money until April of 2010 when he received a Deal through John's company (Evil Angel). Mike pays John the Distribution fee %10 percent/Mike keeps the rest for himself. Mike may have met and Married his Wife (Ashley Vanford) through L.A Direct Models as she was a contract Porn Girl for their Agency. Her Porn name was Andi Anderson. Why didn't Mike just apply for citizenship in the state of California in the First place? Why get married..If your keep having anal sex with different women every week? I don't get it Mike? Why did you need to get married to Ashley? Did the U.S Government NOT want you here for some reason??????? Does LAPD or FBI know why????? She The Receptionist for Mikael Finquel's (Mike Adriano) Favorite Talent Agency (L.A Direct Models Inc) in California. Mike used this Talent Agency for most of his money making Anal scene's in the start and middle of his career! Mike struck Porn Gold when he signed a Distribution Deal with John Stagliano in April of 2010, thus allowing Mikael Finquel to collect full royalties of all his scenes and features through The Evil Angel Brand. Mike no longer makes those kind of scene's and now does Low Production Porn to compete with Only Fans and the Free Tube sites. Mike no longer uses L.A Direct Models Talent Agency and now uses Only Fans and social media to book New scenes. Mike met Jynx Maze and Andi Anderson (Mike's former Wife) through booking of L.A Direct Models in California. Mike and Andi Anderson are now Divorced. Andi Anderson (Ashley Vanford has disappeared from the General Public).

If Mikael Finquel is trying to get in shape and exercise? Does he even leave his Sunset Tower Apartments for Exercise? Mike runs up and down the Apartments staircase and jogging around in circles in his Apartments? The Delivery Drivers leave his Vegan food and Pre-sliced fruit at the front counter?

My moronic ramblings are pissing Mike off! Mike spent $1 million dollars on L.A Direct Models Female Performers to make $1.5 million? I guess it's sorta like a Gambling Website. Gambling on flashy bright colorful outfits used with Agency Porn Girls to recoup your Production costs and collect royalties on each scene. Derek Hay doesn't discuss Mikael Finquel as a client from anyone that I have seen so far. Does LA Direct Models Agency know the Baza Mansion has been sold? Maybe? No one can really invest in Clarity Media Incorporated because there's really no stock in it? I can't figure out what Mike is really doing by producing scene's out of Residential building as a film set without any permissions from the building by laws? Mike like so rich that maybe the building residents are scared of Mike's wealthy Family. Alert the LAPD and FBI if you see an Irish Fruit cake (as Mike calls him. The Adrainoanalyst) trapped in the anal Dungeon of L.A Apartments. Doea Mike hate the Adrainoanalyst that much to have him gaped for his trespass?

There are rumors that the Olivia Valere nightclub was running a sex trafficking ring in the basement. This was encouraged by none other than Mrs Sultan.

There is a possible theory that a young Finquel running around the club accidentally went into the basement and saw naked sex slaves, and became fixated on their gapeholes. This could've been the start to his anal dictatorship

Talia sells it to the General Public! I am unware if the Mossad buys properties at this location. Mike doesn't aswer that. Pierre may bid and buy for Mikael/Victoire and then sell to them for a %2 fee acquisition fee.Dade county and L.A Specifically. Victoire _Sultan only appear's to care about her first born son (Mikael Finquel) and NOT the Porn Girls of L.A. Victoire only cares about Marbella Spain..The attractive Women of Marbella Spain,born and raised there from my research..she's loyal to Marbella and NOT Los Angeles or The people that reside there. I think Mike would have to Marry a Woman born and Raised in Marbella Spain..to keep Victoire_Sultan Happy. The Porn Girls of L.A have no Value to Victoire_Sultan..only to Mikael Finquel because Mike know only L.A Porn Girls will do anything for Money and in California..porn production MAKES PROSTITUTION LEGAL!

Valere is none other than Victorie only 10 years later.

A dark gape ritual was performed according to the instructions of the late occultist Leo Shriqui to open a wormhole through which her older self was shat back in time. Double Victorie means more investment. More investment means more money and money is everything for her kind. But Valere can exist in our timeline only if she is constantly fed by the vital energy of barely legal teens. This energy is drained by Finquel through the gapes. This is the reason Victorie is funding her bastard son's porn operations. What a sick family...

Victoire calls herself (Victoire _Sultan) and (Sultan_Victoire) in confusion on what she is a RULER of? Does she Rule over herself or Rule her Empire? She uses both names in such a manner that I can't really figure it out. She doesn't need her son's L.A Porn Empire...but choses to be apart of it anyway! Olivia Valere is what Victoire really wanted to be...but couldn't. Mikael Finquel and Victoire_Sultan partner up to create (Mikavic LLC). This shows they BOTH work together and care about each other! Victoire_Sultan's Real Estate knowledge and Petroleum oil stocks like TE (Total Energies) is Brilliant and Impressive. Mikael Finquel offers no child for her..but Porn instead. She accepts that for an unknown reason,I can't figure out? Maybe Victoire takes Pride in Mikael for having anal sex with so many different Women..that it makes him special (So the World can Envy Him)? I kinda wanna go to The Dade county Sheriff Sales to see if Victoire _Sultan is there with Pierre and Talia getting Rich off Cheap Real Estate Purchase's ...Any Scholar's live in Florida? Mikael Finquel's Super Rich Real Estate billionaire $$$ Mother (The False Real Estate God of Florida/L.A called Victoire_Sultan) buys Cheap Properties at Dade County Sheriff Sales in Florida with The Help of Talia and Pierre! Mike Adriano and Victoire_Sultan riches!

Buying up ocean front condos in Dade county at a discount with %10 down in all Cash and selling the property to Victoire_Sultan and Mikael Finquel for the remaining %90 and the added 2% finders fee. Talia 's Real Estate Software is Questionable in what it does? Victoire _Sultan holds the Floridian condo type units until the price skyrocketed from the house supply woes from the Pandemic and economic famines! Victoire_Sultan was born right after the Great Depression and Values $$ money more so because of that and Invest's in Luxury condo units in Florida and maybe L.A. The HOA fees cover the HURRICANE damages for her and Michael Finquel. The Residential house purchase would require the owner to pay an outrageous amount more than that due to the horrific HURRICANES in Florida. Victoire is Smart to stick with Luxury Condo instead of traditional homes in Florida. Mikael Finquel is just a secret Medical Doctor going along with his mother real estate purchases because she knows what she's doing. Smart Thinking Mike! Like Mike's Rich and you're NOT! Victoire _Sultan is very systematic with Luxury real estate to the point of it being scary. Pierre seems to do it all! Foreclosure investing/Residential Real Estate/ect....like really Pierre? Mikael Finquel's Porn is just sorta mixed in? Mikael Finquel flying to LA fron France or Spain. Staying at Luxury Hotels on De Sota Ave. Buying male sex performer's License in San Bernardino County? or Los Angeles? I don't know if Mikael Finquel gets an actual male sex Performers License (card) or piece of paper(Legal Document) after paying the fee for it?

paper(Legal Document) after paying the fee for it? Does anyone know? Mikael and Greg start up an LLC in L.A and call it a (Film Production company LLC.) I dont what the actual $ cost of starting an LLC in California costs? or if they used a Legal attorney or Legal company to start up the LLC? Anybody have any experience in starting up an LLC or the costs involved? Calling L.A Direct Models for Porn Girls ? Did Mikael ask the agency for a quote on the porn shoot? It maybe similar to that? The Agency handles the HIV testing. Mike and Greg had verify the HIV testing was genuine by calling the Agency or Medical establishment? I don't know? Mikael locked himself in a cold room and binged on Viagra.. while he meditated to Steve Holmes Budapest's Idols to keep an erection on set? Mikael may have paid L.A Direct Models Inc ($2000 $3000 $4000) back then because studio porn was still the mainstream market for porn back then. Derek Hay may get paid by Mikael's LLC business account or from Mikael Finquel directly with cash/wire transfer or check. Mike's not specific (paying for anal sex is prostitution) but through Mike's sex License and LLC with L.A Direct Models ...The Prostitution is acually LEGAL..Mikael finds his Cheat Code to easy sex. Where is Victoire_Sultan in 2005-2009..who knows? Probably counting her money and just not caring! (Mikavic LLC) is just Weird and has cult like name and feel to it. Maybe you might see Pierre/Talia/Victoire_Sultan/Mikael Finquel at the Dade county Sheriff sales buying up Cheap luxury Condo in Florida? I encourage any Floridian Scholar to go and check it out...you might see them there! I'm not as Smart and Wealthy as Victoire_Sultan or Mikael Finquel ...I'm just a Fucking IMBECILE =Moron with -a life without meaning-.as Mike calls me. Do you really hate me that much Mike? Mikael Finquel's Florida Real Estate Buy/Hold investments seem Legitimate...but his (California Stock Corporation) called Clarity Media Inc sells no stock to investors or outside investors apparently? That seems phoney Mike. Mike speculative $net worth of $1.5 million is phoney..he's worth much more than that. Victoire Sultan or Mikael Finquel may have brought Pierre Elmaleh and Talia Zapolanski from Paris France and Marbella Spain to help them get rich on Foreclosure condo units at auction in Dade County. Talia demo's her Software, but I don't know retail price she sells it for. Both Pierre and Talia claim to be Jewish like Mikael but I don't know if that's Truthful. Well, he pays them for the scenes, which is legal. Prostitution, on the other hand, is not (as far as I'm aware). Nonetheless, even if he does that, this goes waaay too far in my opinion. Well, he pays them for the scenes, which is legal. Prostitution, on the other hand, is not (as far as I'm aware). Nonetheless, even if he does that, this goes waaay too far in my opinion. Leave the man alone for ffs. Why can't we just share memes and have a good ol laugh without actually being malicious in real life towards Mike? This is absolutely ridiculous and if that's the mindset of most Scholar's here, I don't want to be a Scholar of Adrianosstudies anymore

Paying for sex IS PROSTITUTION! Paying for sex scene's IS PROSTITUTION! Could we all pay for sex and tell The Government it's acually for a scene..Mike? Does Mike's Friends and Family know its ILLEGAL to pay for anal sex because its Prostitution and The F.B.I and L.A.P.D know it's WRONG/!

Pornography is legal by law, what exactly don't you comprehend? Is it blind hate and your personal pursuit to make up your own laws in order to wrongfully get Mike in trouble!? If you want to be a hero and a trophy so badly, go after actual bad guys and not a sex-addicted vegan.

MIKAEL FINQUEL ISN'T REQUIRED BY LAW TO RELEASE ANY PAID SEX SCENE TO THE PUBLIC AND CAN USE THE TALENT AGENCIES FOR PROSTITUTION BECAUSE HE PAY'S FOR SEX? PAYING FOR SEX IS PROSTITUTION. PAYING FOR SEX WITH A CAMERA AND RECORDING IT ISN'T PROSTITUTION? BECAUSE? MIKAEL FINQUEL FILTHY RICH ..SO HE'S MUCH MORE IMPORTANT THAN US ANYWAY?

The amount of time I've read about scholars using prostitution services in this subreddit is countless. The moderator of this subreddit, specifically "Adrianoanalyst," was in contact with Lily Lou and wanted her private services. Are you going to snitch on him and them too, or ignore it because it's not Mike?

DID LILY LOU OFFER PROSTITUTION?
OR DID THE ADRAINOANALYST OFFER PROSTITUTION?

LAW ENFORCEMENT DOESN'T CARE BECAUSE LILY LOU IS A FAMOUS PORN STAR WITH A $ NET WORTH OF OVER 1 MILLION DOLLARS!

THE ADRAINOANALYST IS THE VICTIM BECAUSE HE'S NOT FILTHY $$ RICH$ LIKE MIKAEL FINQUEL OR LILY LOU?

THE ADRAINOANALYST OR LILY LOU WAS SOLICITATING PROSTITUTION FOR A SEX SCENE WITH LILY LOU OR VISE/VERSA...SO THAT MAKES IT LEGAL BECAUSE IT WAS FOR PORN SCENE?CAN THE F.B.I/ L.A.P.D EXPLAIN THIS TO ME?

PAID SEX IS ILLEGAL! BUT PAID SEX ISN'T ILLEGAL BECAUSE HE'S MIKAEL FINQUEL AND $$ RICH BEYOND HIS WILDEST DREAMS! IMAGINE BUYING ANAL SEX WHENEVER BECAUSE MIKAEL CAN $$ PAY ANYONE..TO MAKE THEM DO WHAT HE WANTS. SO THE F.B.I CANT REALLY DO ANYTHING ANYWAY. THE L.A.P.D ONLY CARES ABOUT MONEY...AND MIKAEL FINQUEL HAS SO MUCH! MIKAEL FINQUEL ISN'T RESTRICTED TO ANY LAWS IN NORTH AMERICA THEN..HE'S SOMEKIND LAWLESS GOD TO DO WHAT EVER HE WANTS BECAUSE HIS MONEY IS THE LAW! MIKE LAUGHS AT F.B.I AND L.A.P.D BECAUSE PROSTITUTION IS WHENEVER HE WANTS IT TO BE! THAT'S POWERFUL MIKE! MIKE FACE SHOULD BE ON EVERY $ MONEY BILL IN CALIFORNIA

This subreddit user (TimeForMyNSFW) makes no sense! Go out and purchase a Male Sex Worker's License in San Bernardino California like Mikael Finquel and Register a LLC for (Film Production) to make Prostitution Legal for yourself..IT WORKS FOR MIKE! HE DOESN'T GO TO JAIL! PEOPLE PRAISE HIM FOR IT!

Go and tell the LAPD and FBI that Paying Money for Sex in California is Illegal! You will go to Jail. Tell Mike's Friends and Family that! Mikael Finquel shouldn't be doing that! So we can't pay for sex in California because its ILLEGAL? But If we all buy a Sex Workers Permit and complete a Blood Born Pathogens class and Register a LLC for Film Production we now can pay for sex in a LEGAL WAY? Well Mikael Finquel is Filthy $ Rich. That Helps else! So The Adrainoanalyst is Guilty of trying to pay for sex and Mikael Finquel isn't? Why? It's exactly the same thing? Well didn't you know Mikael Finquel is Filthy Rich related to a Billionaire _Sultan of Marbella Spain? So there's that. Alert The FBI and LAPD of what then? Prostitution isn't Prostitution if you film it? I doubt Mikael Finquel releases all of his paid sex scene's? He doesn't have to release any filmed paid sex? If he did...then what's the minimum # number?

Anyone can use Mikael Finquel and Sultan _Victoire/Victoire _Sultan's old LLC Trademark name (Mikavic LLC). It's just Their First names abbreviated (Mikael&Victoire) mixed to create (Mikavic)..not very clever Mike. The (Mikavic LLC) has not been renewed as their active Trademark name anymore and is now defunct. It has been replaced with Floridian 3007 Invest LLC as of present...primarily used by Mikael Finquel and Victoire_Sultan to purchase Real Estate in Dade county Florida at Sheriff Sales and MLS listing in Florida by Pierre. Lit Up Media LLC and KB Productions LLC are Mikael's active Porn Trademark entities..unrelated to his Real Estate Investments with Victoire and Pierre.

Does The F.B.I know if Mikael Finquel is a REAL Medical Doctor? Mike's so Intelligent that he can actually be one? I wonder if The FBI knows if that's TRUE? Mike has a Medical License to practice medicine in L.A? The FBI knows Mike's REAL Father? Victoire Sultan is Right Handed.

Victoire_Sultan's Real Estate Money goes in a Viagra Circle of Greedie Buyer's Agents and Real Estate Agents in Florida and possibly L.A. I can't track The Sheriff Sale results of Mike and Victoire_Sultan's (Floridian 3007 Invest LLC) for every Luxury Condo they bought at large discounts in Florida's Dade County and L.A. but its probably alot. Pierre Elmaleh is The Bidder for Mikael Finquel and Victoire_Sultan as the (Buyer's Agent). He bids on their behalf and charges them %2/%3 Agent Fee. I'm sure if the Mossad is involved in Mike and Victoire's Real Estate Flip process. The Mossad could just go there and bid on properties without them because its open to the Public. The FBI may be aware of Mikael Finquel's Porn Enterprises and may have Mikael's LOST All Male Gay Feature/scene where he is recieving Anal sex from another man. I doubt it will ever surface though. Mike's Friends and Family know he's paying for sex..but just don't care. Prostitution Charges are immune to Mikael Finquel..he's just to powerful. The FBI and LAPD don't know who Mikael Finquel REAL Father is? It's not Leo Shirqui. Mikael Finquel's REAL Father is UNKNOWN. Mike Adriano is just alter ego of Mikael Finquel that Found Out Prostitution is Legal in California with legal due process of permits and LLC registered Trademarks..that's all. My life has no meaning but its still a life of my moronic rambling. If $2100 for anal is The standar rate in L.A porn. Then were you paid $2100 for your All Male Feature/scene back in 2007-2008-2009..Mike?

Leo Shriqui

Leo Shriqui is Adriano's stepfather. Victoire divorced Mike's original father and married Leo. It should be noted that Professor Shriqui was a very powerful and influential jewish businessman.

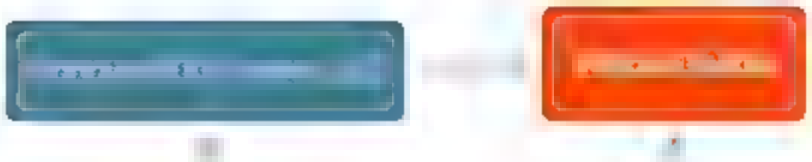

To this day the whereabouts of Finquel's real father is a mystery.

Brudda I always though you were going on moronic ramblings but after a little research, I think I get it.

1. Is Pierre Elmaleh selling his properties at 650 West Ave and North Bay Road in Miami?
2. What kind of company is Floridian 3007?
3. Can you confirm Elmaleh is a Sephardic jew? (Mossad link)
4. Is Mike evading taxes on Floridian 3007 like he did for Stepped Up Media in California?
5. Mike, Pierre AND mudder Victoire were living in the same house? So was this property used to shoot porn and Victoire was living in it?

Mikael Finquel's and Victoire_Sultan's Real Estate Lawer and Sheriff Sales (Pierre Elmaleh) bidder wants a Park build built on Fifth to increase Property Values near the Floridian and Crespi Luxury Condo's! Their Money Greed NEVER ENDS! PIERRE ELMALEH IS A-SUSPENDED LOBBYIST FOR PART IN GREED!

Having an upscale Park Built around your Luxury Condo Investment's attracts Restaurants and other upscale business to build around it... These amenities cause the The Price of Real Estate around these amenities to skyrocket in Appreciation ($ price goes up!) That's what Mikael Finquel and Victoire_Sultan want! That why Peirre Elmaleh seems to want a Park on Fifth! Peirre Elmaleh is Mikael Finquel and Victoire_Sultan's money-making Real Estate Broker and Agent! Peirre Elmaleh had his LOBBYIST PERMIT SUSPENDED for devious acts for Florida city construction projects near their investment's. The FBI/LAPD and Mossad are watching these Projects? Maybe? The Rich get Richer! Mikael Finquel pays for sex but its not Prostitution because he's Hollywood Actor/Medical Doctor/avid soccer player /etc. The park on fifth is another place Victoire_Sultan can walk her puppy and Mikael Finquel film more Porn scene's with Jesse Roger's playing soccer for scene royalties. DON'T TOUCH MY EX-WIFE'S HAIR BRO! THAT'S MY EX-WIFE YOU IMBECILE SQUARE-EMERGENCY! Interestingly enough that Mikael Finquel was Married to Askley Vanford (Andi Anderson) and divorced in the same L.A court house building that handles Divorce lawsuit's and Cheap real esrate Property Sheriff Sales.

The Los Angeles court house (Stanley Mosk courthouse) is the same place were real estate Investors bid on cheap properties in L.A and handle Legal Divorce proceedings in the state of California. It's hard to believe Mikael Finquel was ever married at any point in his life, but he was. Mikael Finquel fell in love and wanted to get married to a Porn Girl..how lovely! The marriage didn't last. Why get married to a chronic masterbater Ashley? Why get married to a Porn Girl Mikael? Well faaak off Square-Emergency! Mikael Finquel couldn't get a permanent Visa in the North America and was still here on a temporary Visa. Like faaak...can things get more worse! Victoire _Sultan can't stop crying and needs to watch French Soap Opera's to forget about it. Like really? Go bid on some Properties for Victoire _Sultan at the Stanley Mosk Courthouse when the Divorce is Finalized Mike? Manuel Ferrara and Mikael Finquel don't like each other! Mikael's wife (Andi Anderson) did some scene's with Manuel Ferrara ...Now Mikael is really pissed..things can always get Worse!

The Mailing address for Clarity Media Incorporated is 1480 Vine street #1701 Los Angeles California 90028. Your Broker can try and request it's IPO stock trade or options..but there's no such business platform. Its just a legal sex trade for money using Mikael Finquel's porn platform instead. Victoire_Sultan handles Mikael's Real Estate Portfolio and funds his Porn Enterprises. Mikael just films the scenes and pays his own money or Victoire_Sultan's money depending on where the money was generated to The Porn Girl.

Mikael doesn't release all scenes he pays for.

Mikael Finquel's LOST All Male Gay Feature film..Indecent to Victoire_Sultan? (Para Nada) meaning (NOT AT ALL..ENJOY!) HER OWN WORDS! Both Andi Anderson and Mikael Finquel Petitioned for their DIVORCE in 2013..Meaning they BOTH wanted it to END! They BOTH Loved Animals?

Mikael Finquel's attempt at a NORMAL life with a Traditional Marriage was a FAILURE. Maybe Andi Anderson knew Mikael Finquel was interested in Gay Men or having sex with men...but that shouldn't be a reason to give up on the marriage? Mikael says we ALL want his Life!

Mikael Finquel can't leave his Vine Sunset L.A apartments because he's too famous for the general public because he's a powerful Adult Porn icon. People will harass him and follow him wherever he goes. He's need to put on a disguise or sneak out at Night just to go outside! Mikael hasn't been outside in Years in Daytime hours! Food Must Delivered to him..just for him to eat a meal!

Mikael Finquel has a camera man in his face at all times during the paid sex. Filming his Viagra Deeek and bloated face and sweaty shirts/pants etc...go away camera guy! I'm trying to faaak here...NOT HAPPENING BRUDDAH!

Mikael Finquel can't keep an Erection without dumping Viagra and other ED drugs into his body for the long scene shoot...he's almost 44yrs old, grey hair/Arthritis amd vision loss aren't gonna go away..its permanent! There's NOTHING to stop aging Bro! Faaak!

Mikael Finquel MUST cum up with New idea's and outfits to make his Porn sell over The Free Tube sites and OF platform. Having Porn Girls dress up as Cops

Having Porn Girls dress up as Cops and Robbers/Cowboys and Indians may be Outrageous...but Mike's gotta be original with his content Now..like Faaak! Puking eating feces and drinking piss are mandatory Now...ugh!

Mikael Finquel is stuck in Porn and couldn't get a Regular Job anyway...but it doesn't matter because he's set fa life because of his Mega Wealthy Parents...Example(Victoire_Sultan)

Mikael Finquel and Greg Lansky JOKE about their START in The Porn Industry All The Time? Was The Andi Anderson & Mikael Finquel Marriage just a JOKE to gain US Citizenship to stay in L.A..Mike? Did Mikael ever care about her? FINAL THOUGHTS.

Andi Anderson risked going to Jail for FRAUD if the Marriage was stage just so Mikael Finquel could gain Citizenship in North America!

If Mikael Finquel paid her a Large amount of Money to Andi Anderson and They acually got caught by The FBI or Law Enforcement.. they would seize or freeze her assets pending an Investigation

Andi Anderson cared enough about Mikael Finquel to help him out.. meaning She probably Loved him as really acually wanted to be his Wife!

Mikael Finquel claims he can get any Woman he wants! But out of all The Porn Women he could chose from.. He chose Andi Anderson! So Mikael must of had feelings for her and may have fell in Love with her. Mikael Finquel loved Andi Anderson as his Wife..even if it was for only a moment!

Mikael Finquel Probably dreamed of marrying a Porn Girl when he was a shy teenager ..still masturbating in his Wealthy Mother's Mansion back in France or Spain.

Just The thought of Mikael Finquel falling in Love with a Women outside of his World of Porn Lusts makes me feel awkward.. because Mikael looked at Andi Anderson as something other than a Porn Girl in The Industry..more of a Person and Friend to him,to help him out ..weird feeling bro?

It's kind of sad . Victoire Sultan never got a Royal Child from the staged Marriage. I think Victoire was expecting that! Even if Andi Anderson and Mikael

expecting that! Even if Andi Anderson and Mikael Finquel had a Royal Child, Victoire_Sultan and Andi Anderson probably would fight over custody of it. Victoire_Sultan would probably WIN the battle too! So why have a Child if a Royal Sultan would just steal it from you. I think Andi Anderson knew that. So a Child with Mikael Finquel is UNREALISTIC! I would AGREE!

-Do better research NEXT time.. Square-Emergency! Mikael Finquel really did Love Andi Anderson but couldn't love her because he can get any Girl he wants. Moron! Mikael doesn't need kids. he has The Porn Industry..you IMBECILE! Just keep on Rambling!

Yes. Probably TRUE! But Victoire_Sultan is too smart to pay for a Fancy Wedding because nobody would expect Mikael Finquel to ever get MARRIED in the first place! It was probably just a cheap courthouse wedding at The Stanley Mosk Courthouse. Nobody was really paying any attention to it at the time..so The sheme WORKED! A big Fancy Wedding would attract to much attention to Mikael Finquel in the Adult Industry at that time. Andi Anderson DID risk going to Jail and having her money taken away if Caught by any type of law Enforcement investigation in the scheme! So whatever money Victoire_Sultan and Mikael Finquel paid her would have been LOSTED in the FRAUD. So Andi Anderson did Care and Loved Mikael Finquel enough to help Mikael out. Even if it was for short time in both of their lifes. Andi Anderson is Mrs Finquel...you won't be forgotten even if Mikael doesn't care about you anymore! Bonjour Victoire_Sultan! Don't steal Andi Anderson's Royal Child! Andi Anderson was going to school in L.A to become a (RN)Registered Nurse and Mikael Finquel could be getting his Viagra/Caverject/Trimix ED drugs from his own Wife/EX- Wife?Lily Lou isn't Andi Anderson and will NEVER be Mrs Finquel!

Andi Anderson has but Disappeared from being Mrs Finquel! I could only find one interview with her. Brandon Iron interview's Andi Anderson after his Porn shoot. The Adrainoanalyst and Brandon Iron are both from Ireland, which would make Mikael Finquel upset!

Andi Anderson likes going on the Internet/had various jobs/life guard/secretary/Mortgage underwriter/etc.

Mikael Finquel and Andi Anderson never had any children. If they did. Victoire_Sultan would probably be raising The Child in Marbella Spain. Victoire would had treated Andi Anderson's baby with the same Royalties as Mike had growing up. This would have given her life more purpose over just The Joy of Money...kinda of sad it never happened.

Andi Anderson probably legally changed her name by now and is probably working as a Registered Nurse somewhere. She left The Porn Industry to go back to live with her parents and finish school. I can only Speculate on What Mikael Finquel or Victoire_Sultan paid her for The Marriage/US Citizenship scheme? Maybe it was alot.. maybe it wasn't. I don't know.

The FBI and LAPD can't really do anything about anymore because of The statue of Limitations laws. Its been too long for Mikael Finquel to face charges for The scheme.

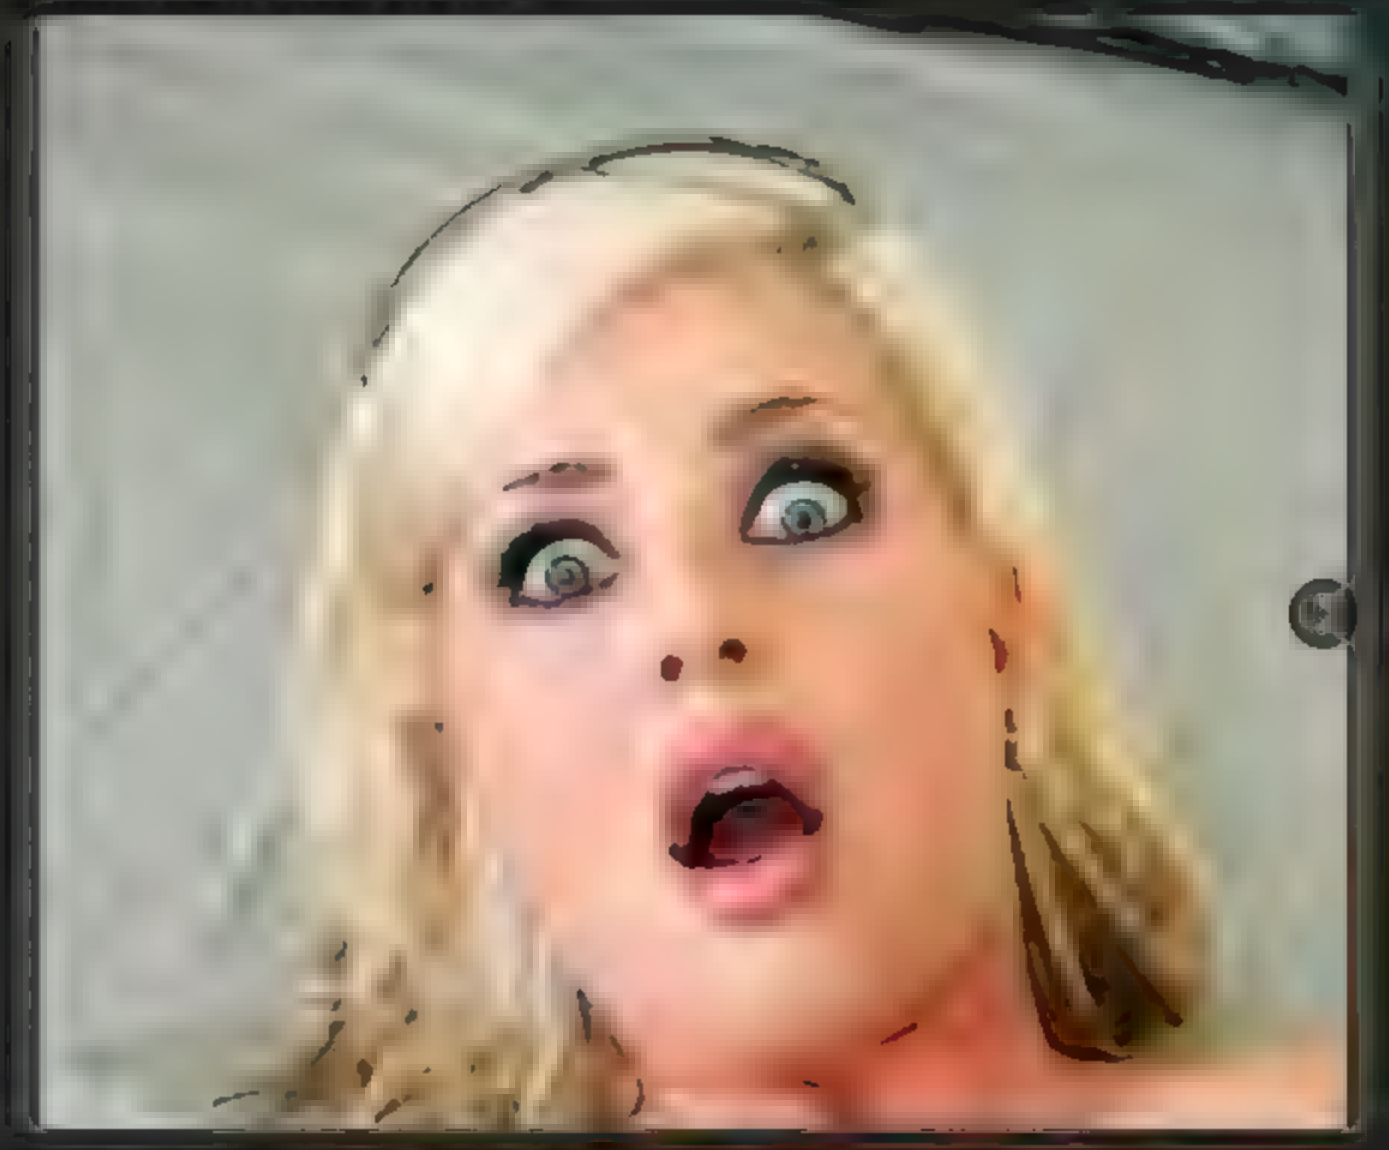

I don't know if Mikael Finquel used Viagra/Cialis on

I don't know if Mikael Finquel used Viagra/Cialis on his Wedding Day. I hope not. Andi Anderson got her start in 2005 with by emailing Adam Glasser's (Seymore Butts) Talent Agency run by a Woman named Jen and NOT by Mikael's Frequently used L.A Direct Models Agency.

Andi Anderson talks about getting seriously involved with A BOYFRIEND in The Adult Industry (This is Probably Mikael Finquel) which led her to using Drugs like Ecstasy/Cocaine etc and Alcohol. She was going to commit suicide because of The BOYFRIEND in The Adult Industry and The Industry itself.

Lily Lou isn't Andi Anderson and will NEVER be Mrs Finquel! She tries to pursue a Relationship with Mikael Finquel outside her Porn Career by Living with him/cuddling/cleaning his Apartments ...but Mike's not interested Lily! Lily Lou tries to look like Andi Anderson with The Lip Fillers (Puffy Lips) face lifts(Round Cheek bones) just like Swedish Girl Andi Anderson. Maybe Mikael would notice more if she can look more like his ex-wife? I don't think so seesta!

Brandon Iron committed suicide on April 15th 2019 in Dublin Ireland..kinda sad as well. He did the Andi Anderson interview.

Full story at ShelleyLubben.com:

My journey into the porn industry started in 2005. I went by the stage name Andi Anderson When I first began, I would work and go to school Monday through Friday and then go to LA on the week-ends. I did every hardcore type of scene (anal, double penetrations, gangbangs, etc.) After two years, I moved to LA (porn valley) and lived the life of money, fame, drugs and constant partying. At first, when I moved and chose to perform in pornographic films, I was so adamant about NOT doing drugs and alcohol But, after a year or so of that so-called "glamorous" life, I sadly discovered that drugs and drinking were a part of the lifestyle I began to drink and party out of control! Cocaine, alcohol and ecstasy were my favorites. Before long, I turned into a person I did not want to be. After doing so many hardcore scenes I couldn't do it anymore. I just remember being in horrible situations and experiencing extreme depression and being alone and sad. I got a boyfriend in the industry which ended up dragging me into an even darker depression. I remember being in a dark room, drunk and high on cocaine. I wanted to kill myself Suicide seemed to be the only thing that felt right for me. I was hurt over and over, so many times in this industry.

Mikael Finquel's Wife Andi Anderson (Ashley Vandenburg) got her Start in Porn Valley with (SexyJobs.com). It's a Recruitment website that helps Regular People get into The Paid Sex Industry in L.A. Jen and Terry used to run The Website under Adam Glasser's(Seymore Butts Studio). Mike is NOT apart of

Mikael Finquel's studio Porn mostly used L.A Direct Models Talent Agency for Most all Paid Female Talent...his Wife Andi Anderson took a different path to get into the industry by emailing a Website called SexyJobs.com. Mikael Finquel appears to have NO involvement with this website.

ISP: Did you keep count of your virgins?

AA: I didn't. I don't keep count. I don't recall how many guys I had sex with in high school

ISP: How did you find your way in to porn

AA: SexyJobs. I was bored going to school and working really hard. You know what did it? I was dating this guy from the gym, and he invited me to Disney Land with his family and I said no, cause I had to work. I was really serious about my job and I was really uptight. How did you get into porn? ANAH: I was working at at strip club in North Carolina, and had a profile on SexyJobs.com. A guy found me and flew me out here but he was just a pimp. He wanted me to escort for him. So I went back on SexyJobs and found an agency who I thought looked legit. Turns out they were an unlicensed nobody company at the time. They were finding all my jobs on Craigslist. I quickly realized that was the wrong direction for me. They kept trying to send me on shady jobs. Like random creepy guys with video cameras, shooting things they would sell directly to the porn store — Or maybe just keep for themselves. That sort of thing. Somehow they got me hooked up with Eric Everhard. I met his makeup artist, who got me a job with Reality Kings and also hooked me up with LA Direct. So I'm very grateful to her.

No, he's NOT. The Porn Girls are tested for HIV(Aptima Method). Victoire _Sultan is too Smart and won't let Mikael Finquel LOSE Money on his Real Estate Buy and Hold/FLIPS in any Market. Pierre Elmaleh is Mikael Finquel's broker. Talia Zapolanski Real Estate Software is more for Commercial Real Estate than Residential. Talia Zapolanski Software isn't worth even Demoing it. Los Angeles County enacted an ordinance to improve the safety of workers in the Adult Film Industry. Effective December 14, 2012, the ordinance *Safer Sex in the Adult Film Industry*, requires all adult film producers filming in unincorporated county areas or in any city that has adopted Los Angeles County Health and Safety Code Title 11, Chapter 11.39 to obtain an Adult Film Production Public Health Permit. The Act conditions any film permit issued by the County for the production of an adult film on the use of condoms and other safety precautions to minimize the spread of HIV and other sexually transmitted infections, and authorizes the Department of Public Health (DPH) to take appropriate measures to enforce the Act.

Public Health Investigation (PHI) Administration has been designated to implement the permitting process and enforce the Act. Upon issuance of a Conditional Adult Film Production Public Health Permit, producers are advised of the requirement to provide proof of completion of blood borne pathogen training specific to the adult film industry and approved by DPH for the individual owner of all company principals and management level employees, and all film directors. receive DPH approval of an Exposure Control Plan that specifies how employee risk of exposure to blood or other infectious materials will be minimized, display the permit in an area visible to performers at all times at the location where an adult film is being filmed, and use condoms for any acts of vaginal or anal sexual intercourse.

PHI Administration will enforce the provisions of the Act. PHI Administration will also respond to all inquiries, concerns, and complaints from the public.

For questions, complaints, or to apply for a permit, call (323) 659-6144.

I would assume Mikael Finquel has The Legal Sex permits and Film Permits for the Legal sex trade in L.A. I don't know if Mikael Finquel acually has permission from The Vine Sunset Tower Apartments to film sex according to their by-laws. Maybe he does..maybe he doesn't. Mikael Finquel couldn't get sex from The Women in Marbella Spain or in France until he moved to L.A in 2005 with Greg Lansky. Mikael Finquel grew up Filthy Rich in Spain and in France but couldn't get sex from Relationships or Dating and was frustrated according to Greg! Mikael was unhappy! Victoire_Sultan was The Secret Wealthy Treasurer of The Jewish/Moroccan club of ultra rich members...her title is (former Treasurer) as of present. Her actual position is UNKNOWN.

I haven't figured out how Mikael Finquel started his LLC for Film Production yet? I'll try and get more research done..Bruddah! Mikavic LLC Trademark name has been taken already. You could use Mikavic2 LLC or Mikavic3 LLC and so forth as Registered Trademarks. Mikael Finquel claims its not Prostitution..but it really is! It's just a Legal way of Prostitution? Ther is No Stock in Clarity Media Incorporated...he just says that I assume to make his business seem Legitimate. Mikael +Victoire_Sultan = Mikavic LLC..not very clever, Mike.

Full Message Explanation! Mikael Finquel is Mad because of Tax Evasion Envelope to Franchise Tax Board of California and NOT specifically The IRS! Mike is Angry at user Postive_Disk9482 for Leaking info on New Scenes from January for Beeg Cumback! I DONT think he cares about Failed/staged Andi Wife

Why is Mikael Finquel so Mad at a Tax Evasion Inquiry? He's done nothing WRONG? RIGHT? Then why does he even care? Mikael Finquel is listed a 5 employee's to his Clarity Media Incorporated business! Mike claims he's 5 employee's as The same person(himself)...thats odd?

Mikael Finquel is CEO. Mikael Finquel CFO. Mikael Finquel is business Director of Clarity Media Incorporated. Mikael Finquel is The active Agent. Andi Anderson is NOT the secretary. Mikael Finquel is also a Secretary to This Business?

Mikael Finquel is probably claiming 5 employee write offs on his 1099 to get easy tax write offs and other tax tricks to deceive the state of California. Do they care...I don't know?

Mikael Finquel is pissed off at leaked information on future scenes from Clarity Media Incorporated and KB Productions from user Postive_Disk9482. Postive_Disk9482 claimed to know Mikael Finquel and may have been apart of his production staff for a short time...because his information was truthful and accurate! No Doubt. Mikael FIRED him by now.

The whole Lily Lou AMA situation to turn this sub around in favor of Mikael Finquel ended up with scene intimidation with Top Scholar and Leader (The Adrainoanalyst) to exchange sex for turning this subreddit in Mikael's favor! Even if The Adrainoanalyst pitched the idea of a sex scene to Lily Lou and she

pitched the idea of a sex scene to Lily Lou and she wasn't interested.. then just say NO,Lily! But Lily Lou WAS open to the idea of it and strongly considered it to help Mike out! It fell apart because If Mikael Finquel found out beforehand on the scene with The Adrainoanalyst.. The Adrainoanalyst could get harmed by Mikael Finquel or one of his fans or Production crew. The Adrainoanalyst was Paranoid of traveling to L.A because of that and Lily Lou was scared to travel to Ireland without the Protection of L.A and The Industry there.

That's The (Recap) for any New Scholars who don't know!

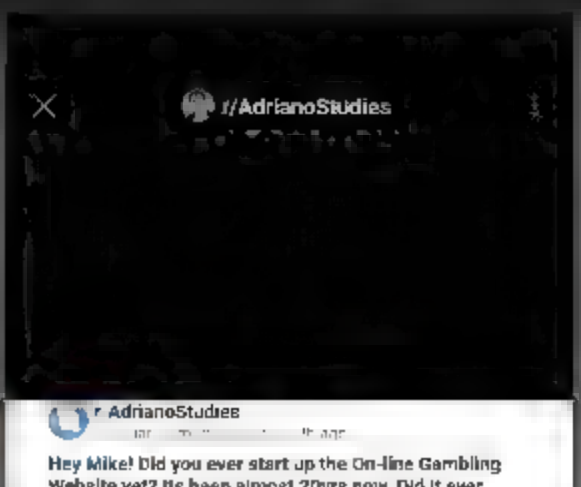

During the Lily Lou AMA. Lily acts and responds to Questions about Mikael Finquel as if she is trying to pursue a relationship with him outside the Porn Industry. They Cuddle/smoke Marijuana/go to clubs/Drink/she cleans his Apartments..doesn't complain if he doesn't shower for days or longer. I don't think Mikael Finquel is really interested in any kind of relationship outside his porn world...does Lily know that? Mikael pays for sex..Mikael pays for Women's Beauty.he can't use Ugly Women! Your wasting your time Lily!

Mikael Finquel's Mother Victoria_Sultan_Victorie! Does Victoire care about Mikael's health and HIV infection? Does Victoire know how many Women Mikael has had unprotected sex with ..throughout his entire career, including the LOST Gay stuff? Does Victoire_Sultan get sent all The HIV Test results from Mikael himself? She obviously cares about him because they work together with (Mikavic LLC) as Mother and son in the Real Estate business in Florida. Mikavic LLC is now Defunct and been replaced with Floridian #3007 Invest LLC by Mikael and Victoire. Mikael Finquel could ask his Ultra Wealthy Mother Victoire Sultan for the money to pay his Tax Debt to the State of California...but doesn't? Why? He has too much Pride to ask his own Mother for Money?

Mikael Finquel and Ashley Vandenburg(Andi

Mikael Finquel and Ashley Vandenburg(Andi Anderson). Mike's Ex Wife. Why CAN'T Mike Finquel get U.S Citizenship without getting married to Andi Anderson? What did he do,that he cant apply for U.S Citizenship by himself? Mikael is afraid of something back in France or Spain?

Angry Investors back in Spain or France want answers from Mikael about their money? His Porn Enterprises are sinking fast. Mike needs to make money to pay back investors in France and Marbella Spain. does anybody know?

III. The Prior Owners' Claims

We agree with the trial court that the Prior Owners do not have a cause of action for property removed from the Unit in the presence of the police pursuant to the writ of possession. That said, however, we find that the allegations of the first amended complaint state a cause of action regarding Banon5's and Elmaleh's exercise of control over the Prior Owners' personal property in the Unit after the locks were changed and after Elmaleh refused to allow the Prior Owners and their movers to enter the Unit to remove property in the Unit. Envases Venezolanos, S.A. v. Collazo, 559 So.2d 651, 652 53 (Fla. 3d DCA 1990). The allegations in the amended complaint and its attachments are legally sufficient "[u]nder the applica vi ural point," ti t to proof, defenses, and affirmative defenses as the

[3] The amended complaint acknowledges that a limited number of items of the Prior Owners' personal property were returned to the control of the Prior Owners in August 2015 as the Miami Beach police investigated the loading of a pickup truck with those items. Allegedly, the items were being removed from the condominium by employees of Banon5 and Elmaleh. The itemized list of the Prior Owners' personal property subject to their claims and located in the Unit at the time they were locked out included estimated values for each item and

Anybody know The Story Behind Mikael Finquel's Wife (Andi Anderson/Ashley Vandenburg's) Heart-Break tattoo on Right Ass Cheek? Did Mikael Finquel tell Andi Anderson he Lusted for Gay Men instead of her and it ripped her heart apart..now just to puke on it?

Andi Anderson did alot of Cocaine during her time with Mikael Finquel in The Adult Industry in Porn Valley of California and Lost some teeth in The Process as it looks. She had it corrected later on in more recent pictures. Mikael Finquel and Andi Anderson may have been up for days or weeks on Cocaine or Meth running to each porn shoot. Lily Lou and other Female Talent always say Mike DOESN'T DO DRUGS/AND NEVER HAS! Does anybody really believe that? What's the story behind her heart-break tattoo. Mike? You can tell us the story...Bruddah. I promise I'll be nice bro.

Mikael Finquel puts a price on Porn Girls Beauty and sells it to make himself Rich. That doesn't make you care about Women. Mikael Finquel's Clarity Media Incorporated won't be calling Flower Tucci or Olivia O'Lovely anytime soon,because their Old and Ugly! Nice Try Mike..but you're a Liar Bro! Accept it,Bruddah! Mikael Finquel only cares about a select group of Women in the porn Industry that have the beauty he's looking for to get sexual pleasure from them and to make him filthy rich. Does that mean Mikael Finquel really gives a shit about Women or is it just Legal Prostitution,Mike? What Lily Lou charges for paid sex has nothing to do with what Mikael Finquel thinks of Women and more to do with The Appearance of what he can sell to desperate men masturbating to a Fantasy that his Royal Parent's bought him.

Malone's work for Evil Angel, where he signed a production and distribution agreement in the summer of 2006, included six volumes of the "Fetish Fuckdolls" series and nine volumes of "Bitchcraft." He previously directed and performed in a few dozen titles for Red Light District and Platinum X Pictures, and a handful of titles for Elegant Angel.

"He wanted to be at Evil Angel. It was his dream because he knew he belonged there," Cuba recalled. "We were so happy when he got there. ... The person I knew wasn't the person that jumped off that bridge. The person I knew was a kind, loving brilliant artist and beautiful person and not the broken person that jumped off that bridge. I'm going to miss him. He meant the world to me."

Malone, who was originally from West Palm Peach, Fla., attended Santa Fe Junior College in Gainesville. He was an avid guitar player and song writer who had played with numerous established musicians. He is survived by a daughter.

This s an educated guess on my part not inside info

e don't really buy this reason for the lack of anal threesomes He regularly pays for more than one/two girls for his other sites, and ca illione girl in one of his TrueAnal scenes especially if she's the ATM girl and therefore wouldn command anal rates

or whatever reason, Mike just doesn like anal threesomes anymore which seems strange given his history that's fair enough it's his p say it's due to budgetary reasons just doesn't make sense, in my opinion.

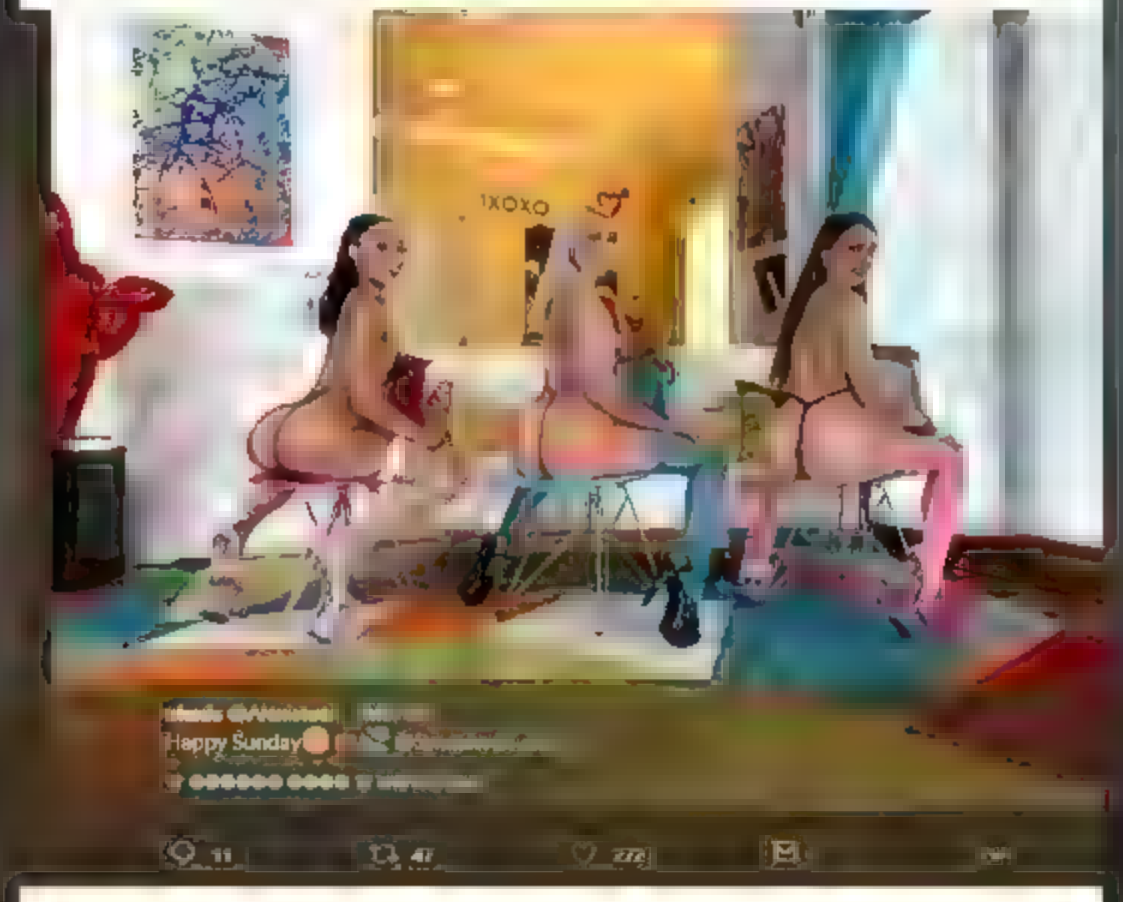

lees, of course girls are now charging huge amounts to do A M (this could be why many any of his scenes don't involve any A M nowa

Mikael Finquel Fraudulent Net Worth of $1.5 million is False! He's worth much more than that! Even if it were true..Mikael Finquel spends over $500 on each Girl back in 2003-2004. At over 100 Girls per year..thats over $50,000! 2003 to 2013 would be well over $500,000 dollars..subtracted from Mikael Finquel's Fake Net Worth ..would make Mikael Finquel worth much less! He would only be worth $1 million minus State and Federal Income tax! Mikael Finquel is worth more than that. His True Net Worth is UNKNOWN! Greg worked for Comcast or Cellcast in France. My memory is kinda foggy..so I can't recall what it acually was..but it was one of them..sorry Mike. I try better next time.

Victoire_Sultan may have been in her late 50's in 2003..Now probably in her late 70's. Don't eat Salt Water Feesh Victoire! You'll get Stomach Cancer like Olivia Valere! Victoire_Sultan paid for Mikael Finquel commercial airline flight from Paris to L.A in 2005 and Probably paid for The Bela Vista hotel/5162 Baza Ave Mansion in California as well. I don't know what attorney or Individuals they used to set up their Porn LLC Shell Companies? Mikael used alot of Bogus LLC companies to shift assets and hide earnings and production costs from California state Regulators in The Franchise Tax Board. Mikael uses the state of Nevada for all his Registered Trademarks now..instead of California.

Need to factor in that Mr Finquel pays much more than 500 for each girl. Lily Lou has commodified herself at a worth of 2k for a scene. I mentioned that in the diss ("2k for Lily Lou? What the hell is wrong with you?")

Mikael Finquel sets up a bogus Film Production LLC and Register a Trademark name to the studio Porn like (Swallowed) or (Swallowers). Mikael needs a film permit and Male sex worker License and HIV/STD testing and consent paperwork from a hired attorney. These permits and consent papers from attorneys could be 4-5k in up front costs plus the HIV Testing may be charged to the Female Talent! I don't know the exact cost of the start up fees for the Bogus LLC in Nevada or California! Do you know? Mikael doesn't talk about this! Victoire_Sultan's and Mikael Finquel's Greedie Real Estate Broker in Miami Florida that doea their Dade County Sheriff Sale Flips looks to be related to Famous Entertainer(Gad Elmaleh)! Gad Elmaleh is of Royal Blood of The Wealthy Moroccan People of Israel! Talia Zapolanski may be Moroccan as Well?

Don't Invest your Money in Pierre Elmaleh's Sunstone Brokerage or have him as your Real Estate Broker Scholar's!

Pierre Elmaleh will sell you The Worst Dade County Sheriff Sale Condo Purchase he can find! Riddled with Federal tax liens and state tax liens just to rip you off! He probably knows of this subreddit and wants to help Mikael Finquel rip people off of all their money!

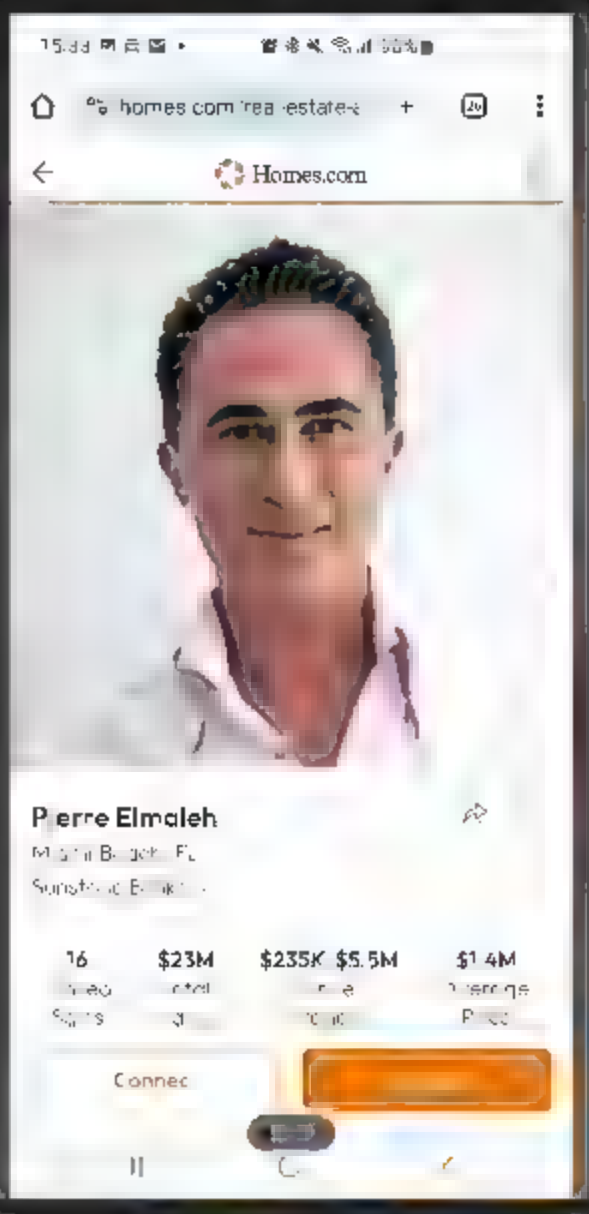

Pierre Elmaleh and Talia Zapolanski are very Greedie! If you don't believe me, go down to the Dade-County Sheriff Sales and watch the Greedie Investors bid and go nuts on their chance to win the right bid on cheap condo properties in Miami!

I don't recommend Talia Zapolanski (Proptech software) as its more geared towards a Real Estate Company than an Individual Investors! She may over charge for it because of her Greed!

Talia Zapolanski owns Victoire_Sultan's Floridian Condo #3007 in Dade County and Runs Vast Venture Investments out if the unit. That's exactly what Mikael Finquel does with His 2 Vine Sunset Tower in Hollywood! Mikael Finquel uses The Vine Sunset Tower Apartments as his Registered company (Clarity Media Incorporated) as a California Stock Corporation. There is NO STOCK in Mikael Finquel's Clarity Media Incorporated. He just Falsely states that to receive tax breaks for his Corporation! Its a SCAM Mike!

Mikael Finquel may have Masterbated or done SCAT Porn in Talia Zapolanski Floridian #3007 Unit! Mikael may of have shot Anal Sex scene's there as well before selling it to Talia Zapolanski!

I wouldn't recommend to Invest with Talia Zapolanski's Vast Ventures because she will also rip any Scholar's off because of this Subreddit. Scholar's beware!

JTA — Gad Elmaleh has been one of the most famous Jews in France's entertainment industry over the past two decades. The son of Moroccan immigrants, who has often referenced his Jewish identity in his wildly-successful sketches, has been nominated for a Cesar award, the French equivalent of an Oscar, and he has crossed over into the American comedy landscape. He made further headlines for having a child with the daughter of a princess from Monaco.

In a country with high rates of antisemitism, his success was a source of pride and comfort for French Jews.

Why Does Victoire _Sultan always use The Luxury Condo Building Name with the Unit #number for all her LLC Trademark names? She always does that! Is that SOMEKIND of Good Luck TRADITION with all her Investments? It's really creepy! Does she count her $ money on a full moon like a werewolf?

Mike's a Hollywood Actor working as a medical Doctor for sake of The Moroccan peoples lively hood? Why didn't Mikael Finquel make his LLC Trademark (VineSunsettower#1701 LLC)? Instead he uses Clarity Media Incorporated/KB Productions LLC. It doesn't fit the Pattern of Victoire _Sultan's Trademark names of the Building and unit #number like past Investments that they've done together? Strange? Victoire_Sultan does the same thing with The Floridian Condo complex in Miami Florida! She takes the building structure name with unit #number to use it as her Trademark name..thus (The Floridian #3007 Invest LLC) is used. She's that Lazy to not make a more unique Trademark LLC name..its very strange. Its like some kind of bizarre Good Luck blessing to Mikael and Victoire's Real Estate Investments.

ISP: What instrument did you play?

AA: Piano since kindergarten. Then Alto Sax and clarinet.

ISP: Do you like John Coltrane?

AA: Who's that?

ISP: What's the sluttiest thing you ever did in high school?

Mikael Finquel couldn't get sex in high school from Regular Relationships and Dating. Mikael Finquel was Filthy Rich and lived in a Mansion but was still Upset and Unhappy according to The Greg Lansky interview. Greg Lansky had a Girlfriend in 2004. Mikael Finquel did NOT,he struggled to get sex from teenage females and was unhappy.

Los Angeles County enacted an ordinance to improve the safety of workers in the Adult Film Industry. Effective December 14, 2012 the ordinance, *Safer Sex in the Adult Film Industry*, requires all adult film producers filming in unincorporated county areas or in any city that has adopted Los Angeles County Health and Safety Code Title 11, Chapter 11.39 to obtain an Adult Film Production Public Health Permit. The Act conditions any film permit issued by the County for the production of an adult film on the use of condoms and other safety precautions to minimize the spread of HIV and other sexually transmitted infections, and authorizes the Department of Public Health (DPH) to take appropriate measures to enforce the Act.

Public Health Investigation (PHI) Administration has been designated to implement the permitting process and enforce the Act. Upon issuance of a Conditional Adult Film Production Public Health Permit, producers are advised of the requirement to provide proof of completion of blood borne pathogen training specific to the adult film industry and approved by DPH, for the individual owner or all company principals and management level employees, and all film directors, receive DPH approval of an Exposure Control Plan that specifies how employee risk of exposure to blood or other infectious material will be minimized; display the permit in an area visible to performers at all times at the location where an adult film is being filmed; and use condoms for any acts of vaginal or anal sexual intercourse.

PHI Administration will enforce the provisions of the Act. PHI Administration will also respond to all inquiries, concerns, and complaints from the public.

For questions, complaints, or to apply for a permit, call (323) 659-6144.

Hey Mike! Any word on The possible Andi Anderson Interview with this Subreddit? I was think like $500 for the Interview. It's not that I don't care about Women..its just Andi Anderson's Step-Mother(Victoire_Sultan) has more than enough $money to pay Andi anyway ever if she did for FREE!

Mikael Finquel and Victoire_Sultan made Andi Anderson disappear? No one can contact her. No chance of an Interview? Just Relax Mike! Andi Anderson (if your reading this)! Your Ex-husband has Falsely accused me of a paid-sex intimidation scene with Red Haired Porn Girl looking to stay young forever with Platic surgery so Mikael Finquel can keep paying her like $2000 for every scene with his Clarity media Incorporated porn company. Your step-mother Victoire_Sultan is Filthy Rich off Real estate flips and probably doesn't even know who you are! Can you possibly do an interview here. How much money do you want bebi? U/Drinkpea has asked me how Mikael Finquel and Greg Lansky got started in L.A Porn. Full write up cumming soon! Anyone living in California can contact (Getyourkneesdirty) website and pay money to be apart of the production depending on how much he wants. That's worth a shot to see what Mikael does.

Mikael Finquel needed Lawyers for LLC companies and sex workers permits/film permits/legal release forms/insurance/HIV/STD Aptima Method testing and other things to even get started in L.A Porn. Mikael Finquel had to pay for ED drugs like Viagra and Trimix/quad mix(Caverject) just to keep an erection with Greg Lansky's camera breathing on his deek. Go away camera man!

Greg Lansky did most of the work on Finding Girls/setting up LLC from their hotel in L.A. Mike just copied Greg...once he had all the Information from Greg Lansky. Mikael Finquel was only interested in being the MALE TALENT ONLY in the beginning! I try better next time..Mike,sorry I let you down with this one.
